We Like Big BOOKS

We like big books and we cannot lie
You other schools can’t deny
When we see you with an itty bitty book
We say this chant and get ya shook
(solo) Why do we say it?
Because we can
(solo) And if you need help
We’ll lend a hand
’cause we’re the school with the master plan
And if it’s too hot then get a fan
’cause ____’s school is rockin’ this jam

We like big BOOKS ... and we cannot lie
(version 2)

We like big books and we cannot lie
You readers can’t deny
If you see a big book, just take a look
You’ll laugh, you’ll gasp, you’ll cry

Hey readers, yeah
Hey readers, yeah

You know we’re talking to you
If you see a big book
Just take a look
And work your way right through
Readers have books!

Whose School is It?

Whose school is it?
It’s our school!
Not my school?
Not your school!
It’s our school.
It’s our place.
It’s our chance to win this race.
We’re gonna work. We’re gonna care.
We’re gonna make this world more fair.
It’s up to us to see it through.
So watch and see what we can do.

Learner’s Creed

I love myself
I believe in myself

The Numbers Song (Writing)

(Parly from It's As Easy As 1 2 3 by Tracy Jarboe & Stefani Sadler and sung to the tune of "This Old Man")

Zero:
Round and round
Just like an "O"
Now you've made
A big zero.

One:
A line straight down
Oh, what fun
Now you've made
The number one

Two:
Make a candy cane
And give it a shoe
Now you've made
The number two

Three:
Around and around
Just like a "B"
This is great
I made a three

Four:
Down and across
Then down some more
This is how
You make a four

Five:
A short line down
Then around like that
Mr. Five
Still needs a hat

Six:
A curved line down
And then around
That's the mix
To make a six

Seven:
Across the sky
And down from heaven
That's the way
To make a seven

Eight:
Make an "S"
But please don't wait
Go back up
And make an eight

Nine:
Make a circle
And then a line
Number nine
Looks mighty fine

Ten:
Make a one
But that's not all
Add a zero so ten
Can stand tall

Eleven:
Two straight lines
Side by side
Number eleven
Stands with pride

Twelve:
Print a one
Then a two
You've made twelve
Now shout WAHOO

**Do Your Ears Hang Low?**
(kinesthetic)

(from Play Rhymes, by Marc Brown)

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them over your shoulder like a Continental soldier?
Do your ears hang low?

The Noble Duke of York
(kinesthetic)
(from Play Rhymes, by Marc Brown)

Oh, the noble Duke of York,
He has ten thousand men;
He marched them up to the top of the hill,
And he marched them down again.
Now when they were up, they were up:
And when they were down, they were down;
But when they were only halfway up,
They were neither up nor down.

Teddy Bear

Teddy Bear, Teddy Bear, turn off the light.
Teddy Bear, Teddy Bear, say good-night.

My Bicycle

My feet make the pedals go round.

Right foot, left foot, see me go.
I am gray and big and slow.
I come walking down the street
With my trunk and four big feet.

Round and round, round and round;
The wheels on the bus go round and round,
All through the town.
The babies on the bus go wah-wah-wah...
The driver on the bus says, “Move on back,”...
The people on the bus go up and down...
The children on the bus, they sit upright...
The mommies on the bus say, “Shh shh Shh.”...

**Baby Beluga**

Baby beluga in the deep blue sea  
Swim so wild and you swim so free  
Heaven above and the sea below  
And a little white whale on the go!

Baby beluga, baby beluga  
Is the water warm? Is your mama home?  
With you so happy!

Way down yonder where the dolphins play  
Where you dive and splash all day  
Waves roll in and the waves roll out.  
See the water spurtin’ out of your spout.

Baby beluga, oh baby beluga  
Sing your little song, sing for all your friends  
We like to hear you!

When it’s dark you’re home and fed.  
Curl up snug in your water bed.  
Moon is shining, and the stars are out!  
Good night, little whale, good night!

Baby beluga, oh, baby beluga  
With tomorrow’s sun, another day’s begun,  
You’ll soon be waking.

Baby beluga in the deep blue sea.  
Swim so wild and you swim so free.  
Heaven above and the sea below,  
And a little white whale on the go.  
You’re just a little white whale on the go!!

(with appropriate actions)

Open, shut them  
Open, shut them  
Give a little clap, clap, clap

Open, shut them  
Open, shut them  
Put them in your lap, lap, lap

Creep them, crawl them  
Creep them, crawl them  
Right up to your chin, chin, chin  
Open wide your little mouth……(pause)  
But do not let them in!

**On Top of Spaghetti**

On top of spaghetti,  
All covered with cheese,  
I lost my poor meatball  
When somebody sneezed!

It rolled off the table,  
And on to the floor!  
And then my poor meatball,  
It rolled out the door.

It rolled in the garden,  
And under a bush.  
And then my poor meatball  
Was nothing but mush!

Alternate ending for last verse:  
It rolled in the garden,  
And under a tree,  
And then my dog ate it,  
And said thank you to me!

We’re Going on a Bear Hunt

by Michael Rosen

We’re going on a bear hunt.
We’re going to catch a big one.
What a beautiful day!
We’re not scared.

Oh-Oh! Grass!
Long, wavy grass!
We can’t go over it.
We can’t go under it.
Oh, no!
We’ve got to go through it!

Swishy swashy!
Swishy swashy!
Swishy swashy!

We’re going on a bear hunt.
We’re going to catch a big one.
What a beautiful day!
We’re not scared.

Oh-Oh! A forest!
A big, dark forest!
We can’t go over it.
We can’t go under it.
Oh, no!
We’ve got to go through it!

Stumble trip!
Stumble trip!
Stumble trip!

We’re going on a bear hunt.
We’re going to catch a big one.
What a beautiful day!
We’re not scared.

Oh-Oh! A snowstorm!
A swirling, whirling snowstorm!
We can’t go over it.
We can’t go under it.
Oh, no!
We’ve got to go through it!

Hoooo woooo!
Hoooo woooo!
Hoooo woooo!

We’re going on a bear hunt.
We’re going to catch a big one.
What a beautiful day!
We’re not scared.
Oh-Oh! A cave!  
A narrow, gloomy cave!  
We can't go over it.  
We can't go under it.  
Oh, no!  
We've got to go through it!

Tiptoe! Tiptoe! Tiptoe!  
What's that?

One shiny wet nose!  
Two big furry ears!  
Two big goggly eyes!  
It's a bear!

Quick! Back through the cave!  
Tiptoe! Tiptoe! Tiptoe!

Back through the snowstorm!  
Hoooo woooo! Hoooo woooo!

Back through the forest!  
Stumble trip! Stumble trip!

Back through the mud!  
Squelch squerch! Squelch squerch!

Back through the river!  
Splash splosh! Splash splosh!

Back through the grass!  
Swishy swashy! Swishy swashy!

Get to our front door.  
Open the door. Up the stairs.  
Oh, no! We forgot to shut the door.  
Back downstairs.  
Shut the door. Back upstairs.  
Into the bedroom.  
Into bed.  
Under the covers  
We're not going on a bear hunt again.

Seasons

By Dr. Jean

(Sung to "Oh, Susanna.")

Winter, spring, summer, fall,
Four seasons of the year.
Winter, spring, summer, fall,
I enjoy them all.

First comes winter, with ice and snow.
Don’t forget your mittens when the cold wind blows.

Next, comes spring when the earth warms up.
Birds sing and flowers bloom. Wake up butter cups.

Then it’s summer, with long, hot days.
Read, bike, swim, and in the sunshine play.

Finally, it’s fall and the earth cools down.
Leaves turn red, yellow, orange and brown.

Seasons, seasons, bring changes for all.
Winter, spring, summer, fall. I enjoy them all.

The World Family

By Dr. Jean

(Sung to the tune of “The Wheels on the Bus”)

The name of my school is Achievement First.
Achievement First, Achievement First.
The name of my school is Achievement First.
That’s the name of my school.

The name of my neighborhood is Crown Heights...

The name of my borough is Brooklyn...

The name of my city is New York City...

The name of my state is New York...

The name of my country is United States...

The name of my continent is North America...

The name of my planet is Earth...

We’re all a part of the world family, family, family.
We’re all a part of the world family.
Let’s live in love and peace.
