1.

HOMEWORK-COMPLETED SURVEY DUE by 4:00 PM, WEDNESDAY, 4/3/13 (all class sections)

- -This survey should take you approximately 20 minutes to complete and you may need family input, so please plan accordingly.
- -You will be graded on how thoroughly you complete the survey, as well as the thought that you invest in your responses.

-Ms. Sykes, AFAHS Director of College Counseling, will consider the information and insight that you provide through this survey as she develops a tailored list of suggested colleges for you. (Please be considerate of Ms. Sykes' time and submit your survey on-time.)

With this in mind, please answer each question fully and honestly. The more thought you give to each question, the more useful it will be. If you have strong opinions or known needs, then state them. If you are open to certain things, then express this. If your family has preferences for your college experience that are different from your own, please explain this in your survey responses.

Thank you in advance for your thoughtful and timely responses. Ms. Sykes and I look forward to reading them.

Go Bears! Fight on! And your soon-to-be college cheer, too! :D

Best regards,

Ms. Bell
