THE COLLEGE-PREP EXPERIENCE

Achievement First is committed to ensuring that all of our students have the skills to graduate from high school, excel in college, and pursue their boldest ambitions. Toward these critical ends, Achievement First high schools offer a prep school academic approach in a public charter school setting. The school's rigorous course of study will develop essential academic skills, including the ability to:

- Read carefully
- Think analytically
- Communicate effectively

Achievement First Brooklyn High provides a supportive environment where all students have a personal advisory and develop close relationships with classmates and teachers. Our school community positively affirms student identity and values achievement and hard work.

FOCUSED ATTENTION ON COLLEGE READINESS

AF Brooklyn High School's College Readiness Team is determined to help students find the college that is the best fit for them. Our advisors each support a small group of students. Our close relationships with students and families helps us guide our students through the college application process and advocate on our students' behalf with top colleges and universities. College readiness and advisory programs at AF Brooklyn High include:

- Goal setting and self-tracking
- Communication and presentation skills
- College trips and visits from admissions officers
- SAT prep
- Summer program applications support
- Internship and career networking
