NETWORK OVERVIEW
Achievement First is a network of 37 high-performing, public charter schools serving more than 14,000 students in New York, Connecticut, and Rhode Island. The mission of Achievement First is to deliver on the promise of equal educational opportunity for all children, regardless of race, economic status, or zip code. Achievement First operates three high schools—including AF University Prep—in Brooklyn, New York.

AF’S NEW YORK HIGH SCHOOLS

SCHOOL OVERVIEW
Achievement First University Prep High School, a college-preparatory public charter school in Bushwick, Brooklyn, provides students from historically-underserved communities with a top-quality education geared to prepare them for the rigor of college work and help them flourish on college campuses. AF University Prep’s approach includes an intensive college-preparatory course of study and a focus on building the foundational skills essential for college success.

- AF University Prep serves predominantly Black and Latinx students from Brooklyn. Approximately 70% of AF University Prep students will be the first in their families to attend a four-year college or university.
- Because of the longer academic day and year, students at AF University Prep receive nearly 400 hours of additional classroom time compared to their peers in traditional New York City district schools.
- AF University Prep’s rigorous curriculum emphasizes core academic subjects: literature, seminar, history, math, and science. Students are required to take four full years of coursework in each of these subjects.
- All AF University Prep students take at least six Advanced Placement courses, and approximately 95% of the school’s students will take seven AP courses by the time they graduate from AF University Prep.

100% OF THE AF UNIVERSITY PREP CLASS OF 2020 WILL COMPLETE AT LEAST 6 AP COURSES BY GRADUATION.

Edlyn Davila, College Counselor, EdlynDavila@achievementfirst.org

THE CLASS OF 2020 IS AF UNIVERSITY PREP’S FOURTH GRADUATING CLASS
AF University Prep uses a 100-point grading scale, with 70 as the minimum grade to pass a course and 50 as the lowest published grade. Weighted Grade Point Average (GPA) is calculated as the arithmetic average (total quality points divided by credits) of all weighted courses taken.

The faculty strives to protect against grade inflation; consequently, "A"s and "B"s are hard-earned. While AF University Prep students may have overall lower GPAs than their traditional district peers, this is not a reflection of their academic tenacity or ultimate mastery. Rather, it is a reflection of the high expectations to which students are held.

Achievement First seeks to disrupt the “norm,” in a country where enduring inequities mean just 9% of students from low-income families earn a college degree by age 24. Our graduates’ projected college completion rate is 55%—six times the national average—and we’re working hard to ensure that rate grows until it equals, then surpasses, the graduation rate for our country’s most affluent students.

AF University Prep supports graduates beyond high school by:

- Matching all students with a college success counselor who provides individualized outreach and support.
- Building cohorts of AF graduates at schools with high expected college completion rates for students of color.

70% of AF University Prep students will be the first in their families to attend college.

BEYOND ACADEMICS

All students take elective courses that are embedded in the school day. In addition, 75% of AF University Prep students participate in at least one extracurricular activity.

During their high school careers, members of the Class of 2020 will participate in at least three summer programs, allowing them to augment their rigorous academic experience with exploratory learning experiences beyond the classroom. 50% of students participated in a pre-college summer program and 70% of students participated in a summer internship.

100% of AF University Prep alumni are paired with a college success counselor who supports their post-graduation development.
