

## Notification of Management Plan Availability

September 1st, 2022

To: Parents, guardians, teachers, employees, or other personnel

From: Achievement First, Inc.  
Diana Alvarado  
370 James St., Suite 404  
New Haven, CT 06513

Dear friends and family,

In a continuing effort to keep our schools safe for all scholars and staff, Achievement First regularly inspects its facilities to ensure they comply with all federal, state and local regulations. Included in these inspections are periodic observations of all asbestos-containing materials located in the building.

To give you some background about asbestos; in the 1970's asbestos was commonly used as a building product due to its resistance against fire and chemicals. It is typically found in pipe insulation, fireproofing, and floor tiles. These materials are frequently referred to as Asbestos Containing Building Materials (ACBM). In 1978 the Environmental Protection Agency (EPA) began to regulate such materials and limited its use thereafter. When properly maintained and protected, asbestos-containing materials pose little to no effect on the environment to which it is in.

The Asbestos Hazard Emergency Response Act (AHERA) requires that Achievement First provides you with a notice, stating that the following schools have an Asbestos Management Plans in place. These Management Plans were prepared and will be monitored by a certified asbestos inspector in the States of Connecticut and Rhode Island. The purpose of these plans is to provide specific information about asbestos previously or currently present in the building, provide procedures that minimize disturbances and provide information about emergency response actions. The Management Plans are available at your request in the following facilities' main office:

1	AF Bridgeport Academy Elementary	655 Stillman Avenue, Bridgeport, CT	203.338.0593
2	AF Bridgeport Academy Middle	529 Noble Avenue, Bridgeport, CT	203.333.9128
3	AF Providence Rhode Island	370 Hartford Avenue, Providence, RI	401.347.1106
4	AF Providence H.S.	315 Laurel Hill Ave., Providence, RI	401.347.1126
5	AF Illuminar ES & MS	85 Garfield Ave., Cranston, RI	401-347-1116

\*AF Providence RI includes the following schools: AF Envision ES, AF Providence ES & MS

In schools which currently contain ACBM, Periodic inspections are conducted every 6 months and Re-inspections every 3 years to ensure that all materials known to contain asbestos are intact and unchanged. If a disturbance is noticed, a notification will be posted describing these changes and identifying the response actions that were taken to correct the disturbance.

If you require additional information or just have general questions or concerns, please feel free to contact me at 203.773.3223 ext. 17255 and I will be happy to assist you.

Best regards,
