Application: Achievement First Legacy Charter School

Achievement First External Reporting - 2022-2023 Annual Report

Entry 1 School Info and Cover Page

Completed - Jul 24 2023

Instructions

Required of ALL Charter Schools

Each Annual Report begins with a completed School Information and Cover Page. The information is collected in a survey format within the <u>Annual Report Portal</u>. When entering information in the portal, some of the following items may not appear, depending on your authorizer and/or your responses to related items.

Entry 1 School Information and Cover Page

(New schools that were not open for instruction for the 2022-2023 school year are not required to complete or submit an annual report this year).

Please be advised that you will need to complete this cover page (including signatures) <u>before</u> all of the other tasks assigned to you by your school's authorizer are visible on your task page. While completing this cover page task, please ensure that you select the correct authorizer **(as of June 30, 2023)** or you may not be assigned the correct tasks.

BASIC INFORMATION

a. SCHOOL NAME

(Select name from the drop down menu)

ACHIEVEMENT FIRST LEGACY CHARTER SCHOOL 80000084523

a1. Popular School Name

AF Legacy

b. CHARTER AUTHORIZER (As of June 30th, 2023)

Please select the correct authorizer as of June 30, 2023 or you may not be assigned the correct tasks.

SUNY BOARD OF TRUSTEES

c. School Unionized

Is your charter school unionized?

No

d. DISTRICT / CSD OF LOCATION

CSD #29 - QUEENS

e. Date of Approved Initial Charter

Aug 1 2016

f. Date School First Opened for Instruction

Aug 8 2021

g. Approved School Mission and Key Design Elements

(Regents, NYCDOE and Buffalo BOE authorized schools only)

N/A

h. School Website Address

https://www.achievementfirst.org/school/achievement-first-legacy-elementary/

i. Total Approved Charter Enrollment for 2022-2023 School Year

180

j. Total Enrollment on June 30, 2023 - excluding Pre-K program enrollment

146

k. Grades Served

Grades served during the 2022-2023 school year (exclude Pre-K program students):

Use the CTRL button to select multiple grades to accurately capture every grade level served.

m1a. Please provide the contact information for Site 1.

	Name	Title	Work Phone	Alternate Phone	Email Address
School Leader	Jessica Eddy	Principal			
Operational Leader	Ashley Wilson	Director of Operations			
Compliance Contact	Min Kwon	Director of Compliance			
Complaint Contact	Blakely Simoneau	General Counsel			
DASA Coordinator	Ashley Wilson	Director of Operations			
Phone Contact for After Hours Emergencies					

m1b. Is site 1 in public (co-located) space or in private space?

Private Space

m1d. Upload a current Certificate of Occupancy (COO) and the annual Fire Inspection Report for school site 1 if located in private space in NYC or located outside of NYC.

Certificate of Occupancy and Fire Inspection. Provide a copy of a current and non-expired certificate of occupancy (if outside NYC or in private space in NYC). For schools that are not in district space (NYC colocations), provide a copy of a current and non-expired certificate of occupancy, and a copy of the current annual fire inspection results, which should be dated on or after July 1, 2023.

- Fire inspection certificates must be updated annually. For the upcoming school year 2023-2024, submit a current fire inspection certificate.
- If the fire inspection certificate is dated after the August 1, 2022 submission of the Annual Report, please submit the new certificate with the Annual Report entries due on November 1, 2023.

CHARTER REVISIONS DURING THE 2022-2023 SCHOOL YEAR

o. Were there any revisions to the school's charter during the 2022-2023 school year? (Please include approved or pending material and non-material charter revisions).

Please note, listing the revisions here does not constitute a request. Schools are advised to seek revision requests through their authorizer directly.

No

ATTESTATIONS

p. Individual Primarily Responsible for Submitting the Annual Report. (To write type in a phone number with an extension, please use this format: 123-456-7890-3. The dash and number 3 at the end of the phone number refers to the individual's phone extension. Do not type in the work extension or the abbreviation for it - just the dash and the extension number after the phone number).

Name	Min Kwon
Position	Director of Compliance
Phone/Extension	(No response)
Email	

q. Our signatures (Executive Director/School Leader/Head of School and Board President) below attest that all of the information contained herein is truthful and accurate and that this charter school is in compliance with all aspects of its charter, and with all pertinent Federal, State, and local laws, regulations, and rules. We understand that if any information in any part of this report is found to have been deliberately misrepresented, that will constitute grounds for the revocation of our charter. Click YES to agree and then use the mouse on your PC or the stylus on your mobile device to sign your name).

Responses Selected:

Yes

Our signatures (Executive Director/School Leader/Head of School and Board President) below attest that our school has reviewed, understands and will comply with the employee clearance and fingerprint requirements as outlined in Entry 10 and found in the <u>NYSED CSO Fingerprint Clearance Oct 2019 Memo</u>. Click YES to agree.

Responses Selected:

Yes

Entry 2 Links to Critical Documents on School Website

Completed - Jul 24 2023

Instructions

<u>Required of ALL Charter Schools noting that SUNY-authorized charter schools are not required to submit item</u> <u>5: Authorizer-approved DASA policy</u> and NYSED-Approved School Discipline Policy

By law, each charter school is required to maintain certain notices and policies listed on its website. Please insert the link from the school's website for each of the items:

- Current Annual Report (i.e., 2021-2022 Annual Report);[1]
- Board meeting notices, agendas and documents;
- New York State School Report Card;
- Authorizer-approved DASA Policy and NYSED-Approved School Discipline Policy (For Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY);
- District-wide safety plan, not a building level safety plan (as per the September 2021 <u>Emergency Response Plan</u> <u>Memo</u>;
- Authorizer-approved FOIL Policy; and
- Subject matter list of FOIL records. (Example: See <u>NYSED Subject Matter List</u>)

[1] Each charter school is required to make the Annual Report publicly available by August 1 and to post on their respective charter school website. Each school should post an updated and complete version to include accountability data and financial statements that are not or may not be available until after the August deadline (i.e., Repost when financials have been submitted in November.)

Entry 3 Accountability Plan Progress Reports

Completed - Nov 15 2023

Instructions

SUNY-Authorized Charter Schools ONLY- Complete Template and Upload to Epicenter

SUNY-authorized charter schools must download an Accountability Plan Progress Report template at <u>Accountability</u> <u>Plan Progress Report</u>. After completing, SUNY-authorized charter schools must upload the document into the Annual Report Portal, **and** into the SUNY Epicenter document management system by September 15, 2023.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

AF Legacy 22-23 K-2 SUNY APPR

Filename: AF_Legacy_22-23_K-2_SUNY_APPR.pdf Size: 217.5 kB

Entry 4 - Audited Financial Statements

Completed - Nov 1 2023

Required of ALL Charter Schools

ALL SUNY-authorized charter schools must upload the financial statements and related documents in PDF format into the <u>Annual Report Portal</u> and into the SUNY Epicenter document management system no later than **November 1, 2023.** SUNY-authorized charter schools are asked to ensure that security features such as password protection are turned off.

ALL Regents, NYCDOE, and Buffalo BOE-authorized charter schools must upload final, audited financial statements to the <u>Annual Report Portal</u> no later than **November 1, 2023**. Upload the independent auditor's report, any advisory and/or management letter, and the internal controls report as one submission, combined into a PDF file, ensuring that security features such as password protections are removed from all school uploaded documents.

PLEASE NOTE: This task appears as visible and optional task in the online portal until August 1 2023 but will be identified as a required task thereafter and due on November 1, 2023. This is a required task, and it is marked optional for administrative purposes only.

ACHIEVEMENT FIRST BROOKLYN CHARTER SCHOOLS_FINAL REPORT_AUDIT_2023 (1)

Filename: ACHIEVEMENT_FIRST_BROOKLYN_CHARTER_LJzHAbt.pdf Size: 1.2 MB

Entry 4a – Audited Financial Report Template (SUNY)

Completed - Nov 1 2023

Instructions - SUNY-Authorized Charter Schools ONLY

SUNY-authorized schools must download the Excel spreadsheet entitled "Audited Financial Statement Template" at http://www.newyorkcharters.org/fiscal/. After completing, schools must upload the document into the Annual Report Portal and into the SUNY Epicenter document management system no later than November 1, 2023.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

2022-2023 Annual Financial Audit Template (Legacy)

Filename: 2022-2023_Annual_Financial_Audit__fqzK2xH.xlsx Size: 174.4 kB

Entry 5 – Fiscal Year 2023-2024 Budget

Completed - Nov 2 2023

<u>SUNY-authorized charter schools</u> should download the <u>2023-2024 Budget and Quarterly Report Template and the</u> <u>2023-2024 Budget Narrative Questionnaire</u> from the SUNY website and upload the completed templates into the Annual Report Portal and into the Epicenter document management system. **Due November 1, 2023**.

<u>Regents, NYCDOE, and Buffalo BOE authorized charter schools</u> should upload a copy of the school's FY22 Budget using the <u>2023-2024 Budget Template</u> into the Annual Report Portal or from the Annual Report website. **Due November 1, 2023**.

The Assumptions column should be completed for all revenue and expense items unless the item is self-explanatory. Where applicable, reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

Entry 6 – Board of Trustees Disclosure of Financial Interest Form

Completed - Aug 1 2023

Required of ALL Charter Schools

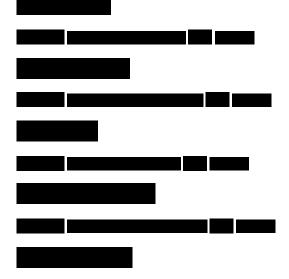

Each member of the charter school's Board of Trustees who served on a charter school education corporation governing one or more charter schools for any period during the 2022-2023 school year must complete and sign a Trustee <u>Disclosure of Financial Interest Form</u> is due on August 1, 2023. Acceptable signature formats include:

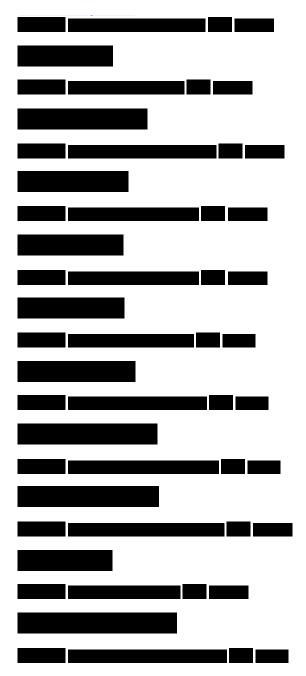

- Digitally certified PDF signature (i.e., DocuSign)
- Manual signature (1. download to print, 2. manually sign, 3. scan signed document to PDF, and 4. upload into portal)

All completed forms must be collected and uploaded in .PDF format for each individual member. The education corporation is responsible for ensuring that each member who served on the board during the 2022-2023 school year completes the form.

Charter schools **must** submit the latest version of the form. Forms completed from past years will not be accepted.

Trustees serving on an education corporation that governs more than one school are not required to complete a separate disclosure for each school governed by the education corporation. In the Trustee Disclosure of Financial Interest Form, trustees must disclose information relevant to any of the schools served by the governing education corporation.

Entry 7 BOT Membership Table

Completed - Aug 1 2023

Instructions

Required of ALL charter schools

ALL charter schools or education corporations governing multiple schools must complete the Board of Trustees Membership Table within the online portal. Please be sure to include and identify parents who are members of the Board of Trustees and indicate whether parents are voting or non-voting members.

Entry 7 BOT Table

1. SUNY-AUTHORIZED charter schools are required to provide information for VOTING Trustees only.

2. REGENTS, NYCDOE, and BUFFALO BOE-AUTHORIZED charter schools are required to provide information for all --VOTING and NON-VOTING-- trustees.

Entry 9 Enrollment & Retention

Completed - Jul 24 2023

Instructions for submitting Enrollment and Retention Efforts

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2022-2023 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2023-2024.

*SUNY-authorized charter schools

The education corporation must include a plan for the charter to meet or exceed enrollment and retention targets established by the SUNY Trustees for students with disabilities, ELLs, and students who are eligible to participate in the FRPL program. See the <u>enrollment and retention target calculator</u> to find specific targets.

Entry 9 Enrollment and Retention of Special Populations

	Describe Recruitment Efforts in 2022-2023	Describe Recruitment Plans in 2023- 2024
Economically Disadvantaged	The schools partner with the Achievement First (AF) recruitment team to carry out a comprehensive recruitment strategy consisting of direct outreach, Refer A Friend campaigns, information sessions, school-based open houses, presentations at local education agencies and community based organizations, neighborhood canvassing at nearby high density housing and building locations, participating in the NYC Charter Center application, geo targeted mailings, and both online and outdoor advertising. These techniques have been successful in generating applications and in sharing the opportunity to apply with low-income families. AF implements an at-risk preference for low-income families, and as a result the vast majority of all entering families have qualified for free or reduced price lunch. As a result of extensive presentations to community organizations that serve low-income families, including Head Start and NYCHA daycare centers, the applicant pool of families that qualify for free and reduced price lunch has been large, and the preference has been effective at substantially matching the district percentages of low-income students for the incoming classes.	We plan to use the the same 2022- 2023 plans in the 2023-2024 school year.
English Language Learners	The AF student recruitment team is bilingual and has made extensive efforts to reach out to families who speak languages other than	The AF student recruitment team is multi- lingual and has made extensive efforts to reach out to families who speak languages other

English. All outdoor signs are in both English and Spanish, as are all brochures and other marketing materials, including the AF website page for student enrollment. In 2021-22, for instance, direct, bilingual recruiting materials reached more than 30,000 families throughout Brooklyn. Additionally, Spanish speaking members of the recruitment team have presented in Spanish at Head Start daycares and community organizations (e.g., The Coalition for Hispanic Family Services and Bushwick United), and multiple members of the "street teams" that recruited directly in the community were Spanish speakers. While these techniques may change year to year, these are representative of recent recruitment methods. The lottery also uses a weighted preference for Multilingual Learners (MLLs), which the schools doubled for the 2016-17 school year in an effort to both admit and enroll more MLLs.

The last two recruitment seasons included community outreach, canvassing, and event tabling to engage with potential families as well as a wide variety of tactics including, but not limited to: - Distributed thousands of brochures and other materials in bilingual format (English/Spanish). - Attended the Include NYC fair on February 11, 2023 which had hundreds of families, including families of MLLs and other at-risk students, in attendance. As with other events, a bilingual community outreach associate was present. - Over the course of a given lottery cycle, AF drops off and mails

than English. All outdoor signs are in both English and Spanish, as are all brochures and other marketing materials, including the AF website page for student enrollment. In 2022-23, for instance, direct, bilingual recruiting materials reached more than 30,000 families throughout Brooklyn. Additionally, Spanish speaking members of the recruitment team have presented in Spanish at Head Start programs and community organizations (e.g., The Coalition for Hispanic Family Services and New Life Child Development Center), and multiple members of the "street teams" that recruited directly in the community were Spanish speakers. While these techniques may change year to year, these are representative of recent recruitment methods. The lottery also uses a weighted preference for Multilingual Learners (MLLs).

The last two recruitment seasons included community outreach, canvassing, and event tabling to engage with potential families as well as a wide variety of tactics including, but not limited to: - Distributed thousands of brochures and other materials in bilingual format (English/Spanish). - Attended the Include NYC fair on February 11, 2023 which had hundreds of families, including families of MLLs and other at-risk students, in attendance. As with other events, a bilingual community outreach associate was present. - Over the course of a given lottery cycle, AF drops off and mails Spanish applications to numerous local daycare centers (e.g.,

Spanish applications to numerous local daycare centers (e.g., approximately 400 community organizations/daycare centers across many sections of Brooklyn). In December 2022 and February 2023, AF hosted several Spanishlanguage information sessions where the majority of families in attendance primarily spoke languages other than English. - AF provides translators at orientation and community engagement events at AF schools. - For our non-fluent Spanish speaking recruitment team members, we also utilized googletranslate when we encountered Spanish-only speaking families. Non-Spanish speaking staff members are also paired with a colleague fluent in Spanish that they can call on to support communication with prospective families.

- The refer-a-friend program is shared with families in English and Spanish in the hope of generating word of mouth interest.

- Schools hang recruitment banners outside their facilities in English and Spanish.

- For families that were never selected off of waitlists in previous years and had indicated they were not English-speaking families, AF reaches out in subsequent years with native language speakers (i.e., Spanish-speaking) in order to inform the families about the ability to reapply to AF schools. approximately 400 community organizations/daycare centers across many sections of Brooklyn). In December 2022 and February 2023, AF hosted several Spanishlanguage information sessions where the majority of families in attendance primarily spoke languages other than English. - AF provides translators at orientation and community engagement events at AF schools. -For our non-fluent Spanish speaking recruitment team members, we also utilized google-translate when we encountered Spanish-only speaking families. - For families that were never selected off of waitlists in previous years and had indicated they were not English-speaking families, AF reaches out in subsequent years with native language speakers (i.e., Spanish-speaking) in order to inform the families about the ability to reapply to AF schools.

Efforts to recruit students with disabilities have focused primarily on

We plan to use the the same 2022-2023 plans in the 2023-2024 school making clear in promotional materials and presentations that AF is highly effective for students with disabilities, and that we offer services in accordance with Individualized Education Programs (IEPs). In addition, the recruitment team reaches out annually to day care centers that are identified by the NYC Department of Education as serving students with disabilities and participates in an Include NYC fair that focuses on providing resources to families with students with disabilities. The AF student recruitment team has partnered with the network special services team to ensure that marketing materials capture the range of services available. AF has reached out specifically to community members who previously agreed to partner with the community outreach team to conduct a family focus group on how AF schools could best meet their needs. During this focus group, the mother of a student with a disability said that her greatest struggle was finding a public school option that held the highest academic standards for her child despite his disability. The school strives to be this option, committed to getting every scholar who walks through our doors to and through college. We believe that sending this message to families with students who have special needs will be a powerful recruiting technique and will help us meet the enrollment target for this population. The lottery also uses a weighted preference for students with disabilities.

year.

	Describe Retention Efforts in 2022- 2023	Describe Retention Plans in 2023- 2024
Economically Disadvantaged	Retention of students at AF schools is a network-wide priority and one of the key performance indicators identified for schools as part of the network's strategic imperatives. As a network, AF has set an accountability measure of 5%. In addition, each individual school has set an improvement goal for attrition set at no less than 0.5% improvement year over year. While reliable mobility statistics for New York City are difficult to ascertain, we believe that a mobility rate of 5% is significantly below the average annual turnover of urban students. We believe that retention of students within at-risk populations depends primarily on the academic progress these students are making. As such, the most important retention efforts for at-risk populations will be great instruction and regular review of data that ensures that students in these populations are receiving the support and services they need in order to be successful. Data— including academic performance, attendance, and behavior data—are disaggregated and shared with the	Retention of students at AF schools is a network-wide priority and one of the key performance indicators identified for schools as part of the network's strategic imperatives. As a network, AF has set a base accountability measure of 5%. Additionally, we have set the following goals: a school is considered proficient with 2%; is exemplary with <2% attrition; and strong growth means -1% attrition, year-over-year, or greater. While reliable mobility statistics for New York City are difficult to ascertain, we believe that a mobility rate of 5% is significantly below the average annual turnover of urban students. We believe that retention of students within at-risk populations depends primarily on the academic progress these students are making. As such, the most important retention efforts for at-risk populations will be great instruction and regular review of data that ensures that students in these populations are receiving the support and services they need in order to be successful. which data is the best predictor of a

family exiting. We learned that

	attending to family satisfaction, as indicated on our family engagement survey, is the most important data point to inform intervention. AF schools analyze their family engagement data and create a plan to respond to family feedback. Additionally, the network Director of Family Engagement analyzes all of the data and synthesizes the biggest themes heard from families to prioritize and improve network practices.	which data is the best predictor of a family exiting. We learned that attending to family satisfaction, as indicated on our family engagement survey, is the most important data point to inform intervention. AF schools analyze their family engagement data and create a plan to respond to family feedback. Additionally, the network Director of Family Engagement analyzes all of the data and synthesizes the biggest themes heard from families to prioritize and improve network practices.
English Language Learners	Retention of students at AF schools is a network-wide priority and one of the key performance indicators identified for schools as part of the network's strategic imperatives. As a network, AF has set an accountability measure of 5%. In addition, each individual school has set an improvement goal for attrition set at no less than 0.5% improvement year over year. While reliable mobility statistics for New York City are difficult to ascertain, we believe that a mobility rate of 5% is significantly below the average annual turnover of urban students. We believe that retention of students within at-risk populations depends primarily on the academic progress these students are making. As such, the most important retention efforts for at-risk populations will be great instruction, and regular review of data that ensures that students in these populations are receiving the support and services they need in order to be successful. Data— including academic performance, attendance, and behavior data—are	Retention of students at AF schools is a network-wide priority and one of the key performance indicators identified for schools as part of the network's strategic imperatives. As a network, AF has set a base accountability measure of 5%. Additionally, we have set the following goals: a school is considered proficient with 2%; is exemplary with <2% attrition; and strong growth means -1% attrition, year-over-year, or greater. While reliable mobility statistics for New York City are difficult to ascertain, we believe that a mobility rate of 5% is significantly below the average annual turnover of urban students. We believe that retention of students within at-risk populations depends primarily on the academic progress these students are making. As such, the most important retention efforts for at-risk populations will be great instruction, and regular review of data that ensures that students in these populations are receiving the support and services they need in order to be successful. Data—

disaggregated and shared with the school leadership team, so that early warning signs can be identified, and appropriate interventions identified.

In an effort to reinforce the bilingual recruitment strategies of students who are identified as English learners, AF Team Special Services is focusing on accurate identification and assessment procedures that comply with federal and state guidelines. The classification of English learners and subsequent data on language proficiency is an important first step toward effective programming and qualified staffing for appropriate language services. Serving as a three-pronged retention measure, accurate identification, effective programming, and qualified staffing, provide students and families with evidence of prioritizing our understanding of and services for multilingual students and families. In addition, families of students identified as English learners are invited to family meetings twice a year with the **Director of Multilingual Learner** Education and the Director of Family Engagement. During these meetings, families are made aware of the programming available at AF and of their rights, which include students' access to meaningful participation in all content classrooms and extracurriculars regardless of language proficiency levels, families' access to translators and translated materials, and data results on their children's language proficiency progress. Finally, the AF network is moving toward a more inclusive, assets-based mindset that including academic performance, attendance, and behavior data—are disaggregated and shared with the school leadership team, so that early warning signs can be identified, and appropriate interventions identified.

identified, and appropriate interventions identified.

We believe that strong Tier 2 and Tier 3 interventions, complemented by strong family relationships, are the most effective approaches to prevent the attrition of students with disabilities. In addition to the attrition risk factors described above, we believe there are at least two additional factors for families of students with disabilities. First. families of students with disabilities are more likely to leave if they believe that we hold lower expectations for their children than for their regular education peers. Second, these families are at risk for leaving if they do not understand the services being provided for their children, or if they perceive that more extensive services might be available at another school. As described above, our communication with families about the high expectations we hold for every child, and the differentiated supports and services we provide to make sure each child meets these expectations, will begin with our student recruitment process. These messages will be reinforced in family chats (which are requested of all incoming families), family conferences, and all other communication with families of students with disabilities. Additionally, the network support data team and the managing director of special services will provide disaggregated academic and behavioral data for students with disabilities directly to the principals on a monthly basis, to flag any student for whom additional

school leadership team, so that early warning signs can be identified, and appropriate interventions identified.

Entry 10 – Teacher and Administrator Attrition

Completed - Jul 24 2023

Form for "Entry 10 – Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

Required of ALL Charter Schools

Charter schools must ensure that all prospective employees^[1] receive clearance through <u>the NYSED Office of</u> <u>School Personnel Review and Accountability</u> (OSPRA) prior to employment. This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is <u>not</u> employed by the school.

1. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates <u>automatically</u> once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at <u>NYSED CSO Employee Clearance and Fingerprint Memo 10-2019</u>.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers. See NYSED memorandum dated October 1, 2019 at http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf or visit the NYSED website at: http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates <u>automatically</u> once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at <u>NYSED CSO Employee Clearance and Fingerprint Memo 10-2019</u>.

<u>Attestation</u>

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 13 School Calendar

Completed - Jul 24 2023

Instructions for submitting School Calendar

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2023 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2023**.

School calendars must meet the <u>minimum instructional requirements</u> as required of other public schools "... unless the school's charter requires more instructional time than is required under the regulations."

Board of Regents-authorized charter schools also are required to submit school calendars that clearly <u>indicate the</u> <u>start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month (also used to align to schools with extended days/years referenced in their mission statements/key design elements), See an example of a calendar showing the requested information. Schools **must** use a calendar format and ensure there is a monthly tally of instructional days.</u>

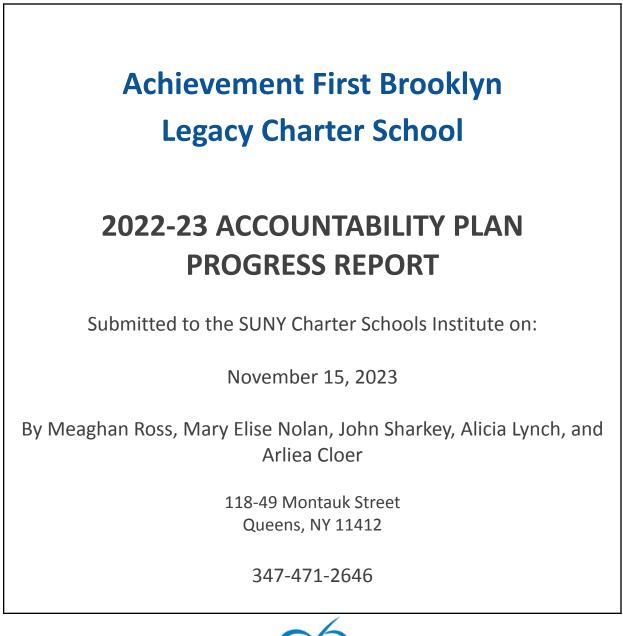

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

23-24 Calendar Draft - NY ES MS 2023-2024

School Leaders

Charter	Principal
Legacy	Jessica Eddy has served as the elementary school principal since 2021.

SCHOOL OVERVIEW

The mission of Achievement First schools is to deliver on the promise of equal educational opportunity for all of America's children. We know that every child—regardless of race, zip code or economic status—deserves access to great schools. We prepare our students to deepen their knowledge of self and community, to excel at college, career and life, and to lead lives of purpose and leadership.

AF Legacy Elementary opened in Fall 2021 and serves K-2 students.

Core elements of the Achievement First model that support our ambitious goal of closing the achievement gap by preparing our students for success include:

- Unwavering focus on breakthrough student achievement and student experience Great Teaching Fueling an Exceptional Student Experience
- Aggressive recruitment and retention of talent and diversity
- Consistent, proven, standards-based curriculum and strong intellectual preparation for lesson delivery
- Disciplined, high-expectations achievement-oriented school culture
- Interim assessments and strategic use of data to drive instruction
- Principals with the power to lead as well as high-quality, focused training for leaders
- Parents as partners

Historically, AF Brooklyn Charter Schools implemented a strong curriculum developed by AF's Teaching and Learning Team. The data you see in this report is still based on implementation of that internal curriculum.

Starting in 23-24, AF Brooklyn Charter Schools transitioned to implementing a mix of external and internal curriculum to ensure that we continued to provide our children with the best possible curriculum available. In 23-24, we are implementing Wit & Wisdom in K-4 ELA and Achievement First Math in K-4 Math, both of which have been greenlit by EdReports after a rigorous review.

2022-23	62	91												153

ENROLLMENT SUMMARY

GOAL 1: ENGLISH LANGUAGE ARTS

Goal 1: English Language Arts

All students at Achievement First Charter Schools will be proficient readers and writers of the English language.

BACKGROUND

The K-4 literacy program at Achievement First must prepare students to be proficient and passionate life-long readers, writers, and thinkers who see themselves as powerful change makers. Reading and writing, unlike speech, are not natural processes. Our program must align with cognitive science (as represented by the Simple View of Reading and Scarborough's Reading Rope) and affirm our students' identities and brilliance in both what we teach and how we teach it.

Our program must support strong word recognition. We must:

- Include explicit and systematic phonics, phonemic awareness, and high frequency word instruction. Most people do not naturally crack the code of English without direct instruction.
- Provide extensive opportunities for students to practice both decoding and encoding using their word recognition knowledge and receive targeted feedback
- Include opportunities for teachers to gather and respond to data on students' word recognition knowledge

Our program must support strong oral language and reading comprehension. We must:

- Support students' development of strong language comprehension through read aloud of complex texts and sentence level syntax analysis in both reading and writing
- Support students' expressive language development and promote student voice through frequent opportunities to engage in meaningful discussion
- Support students' development of strong background knowledge by teaching content-driven units where students are learning about the world as they read and write. Research shows that background knowledge greatly improves a student's ability to read and understand complex texts.
- Support students knowledge of text structure by reading across a wide variety of genres and teaching what we expect to find in each genre and how authors organize different genres
- Support students knowledge of vocabulary through instruction in word structure, repeated exposure, discussion, and use of a set of content-aligned vocabulary words in each unit
- Put content and text understanding in the foreground, with skills and strategy instruction used as a means to build or access strong understanding. This means we do not teach reading skills in isolation. For example, we don't read a nonfiction passage about Reconstruction to practice identifying the main idea. Instead, we read a nonfiction passage about Reconstruction to learn more about the historical context that led to The Great

Migration. In order to learn that content, we will need to understand the main idea of the passage.

Our program must affirm our students' identities, brilliance, and power. We must:

- Include engaging texts that provide students opportunities to see mirrors of their own experiences, windows into different experiences, and learn more about themselves and their identities
- Teach history and world knowledge that is relevant and engaging to our students. Our program embeds social studies and history instruction into literacy instruction so that students are learning about social justice, activism, and the true history of our country during their literacy block. Learning science content is critical to students' having strong world knowledge, but given the focus of our humanities program on social justice, it remains a separate block in our program. You can learn more about the specific social studies content embedded in the humanities program and the pedagogy of strong social studies instruction <u>here</u>.
- Teach students about different ways to advocate and create change
- Provide opportunities to share their ideas through discussion, writing, and creative projects

Our program must help students powerfully and clearly share their ideas in writing. We must:

- See reading and writing as reciprocal and intertwined processes.
- Include instruction in sentence level syntax, grammar, and conventions to understand complex sentences in reading and share complex ideas through writing. This content increases in complexity as students progress from K-4.
- Include instruction in paragraph, essay, and story planning, writing, revision, and editing
- Provide students with ample opportunities to write about what they are learning, both during formal writing instruction and as a way to process and express ideas across blocks

Method

At Legacy Elementary School, STEP and F&P were used to evaluate progress in ELA and reading from the beginning of year to the end of the year. Most students in Kindergarten are assessed using STEP.

RESULTS AND EVALUATION

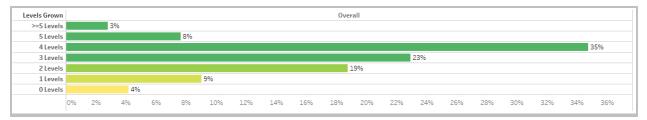

The chart below illustrates the average grade level reading growth and proficiency from BOY to EOY of scholars tested in Kindergarten and 1st Grade at Legacy Charter.

						Avg			Mo	/ement f	from Bas	seline to	Current	Period R	eading	Level			
Region	School Name	Grade	# Tested	Current Prof	Baseline Prof	Level Growth	-0.5	0.0	0.5	1.0	1.5	2.0	2.5	3.0	3.5	4.0	4.5	5.0	5.5
					AF	Network				1.2 🖷				_			04.3		
NY	LGES	К	46	72%	20%	3.7	-0.7							03	1				
		1st	62	45%	55%	2.6							2.6 🛑						€.2

Scholars grew 3.7 reading levels on average in Kindergarten and 2.6 reading levels on average in 1st grade. For all students at Legacy Elementary, reading proficiency increased from 38% baseline proficiency to 56% proficiency at the end of the 22-23 school year.

					On Track			M	ovement f	from Base	line to Currer	nt Period	Reading Lev	/el	
Region	School Name	Grade	Baseline Proficiency	# Tested	(Individual Growth)	-1.	0	0.0	1.0	2	2.0	3. <mark>0</mark>	4.0	5.0	6.0
NY	LGES	К	BELOW PROFICIENT	37	65%	-1.0					2.7	7			
			PROFICIENT	9	100%				0.8					4.8	
		1st	REMEDIAL	3	0%		-0.3 🖛					3.0			
			BELOW PROFICIENT	25	28%					1.9 •				4.5	
			PROFICIENT	34	50%							3.3 🛑			5.9
					AF Network				1.2					3	

Scholars who were proficient grew 2.9 reading levels on average while those scholars who began the year below proficient grew 3.1 average reading levels from BOY to EOY.

96% of scholars grew at least one level in reading, while 68% of the scholars tested for STEP/ F&P grew 3 or more reading levels from the beginning of the year to the end of the year.

Additional Context and Evidence

N/A

ACTION PLAN

While we are glad to see strong growth for students during the year, our ELA program is still not yet ensuring students get where they need to be from an absolute perspective. Reading is again a network focus area for the 23-24 school year and next several years. On TTL, managing directors, senior directors, and directors, as well as the Sr. Director of Reading, Leslie Michelle, and a host of other teammates across network teams (S&D, TSS, CAO, Chiefs of Schools, Regional Superintendents, etc.) continue to analyze our reading and ELA programs in partnership with our school teammates to determine where we need to make adjustments.

This year in Elementary we have made several changes in service of advancing scholars' literacy and ELA academic success:

- We have adopted the Wit & Wisdom program and curriculum across all of our schools, K-8.
- Along with Wit and Wisdom, we are teaching FUNdations (w/ Heggerty) across K-3 and Geodes (a decodable books reading program that aligns with Wit & Wisdom and FUNdations) in all K-2 classrooms.

- We have adopted mClass & DIBELS, along with the CUBED assessment as an external assessment, administered 3x a year (BOY, MOY, and EOY), to provide data on reading proficiency and oral language development
- We are supporting our schools through a strong, aligned summer professional development calendar, ongoing professional development throughout the year, and shared improvement cycles that include school visits, interim assessments, and other important data (e.g., culture data, scholar and family feedback, etc.)

GOAL 2: MATHEMATICS

Goal 2: Mathematics

Students will demonstrate competency in the understanding and application of mathematical computation and problem solving.

BACKGROUND

In the K-4 mathematics program at Achievement First, we believe that mathematics instruction not only involves developing and mastering the skills and conceptual understanding outlined by the Common Core but it does so in a way that fosters student's mathematical identities such that they see themselves as powerful mathematicians. We seek to prepare all of our students to engage in mathematics at a high level throughout their school experience and to disrupt the underrepresentation of BIPOC and women in the STEM workforce.

To do so, we must embrace the fact that learning mathematics requires more than memorizing facts and procedures for solving certain types of problems. We must actively work to implement research based equitable practices and work against white supremacy based practices that perpetuate educational harm on Black, Latinx, and multilingual students, denying them full access to the world of mathematics (Cintron et al, 2021). Therefore, we reject the I-We-You approach and instead are committed to a program that approaches teaching from an asset based perspective, understanding and acknowledging that all of our students bring knowledge and unique ways of thinking and problem solving to the classroom. Additionally, we are committed to a program that fosters authentic joy and curiosity about mathematical discovery and problem solving and, at the same time, proficiency in mathematical practices, all while keeping teaching for understanding as the centered norm.

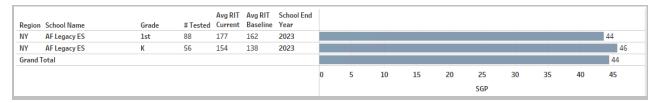

In the 22-23 school year we continued to invest in strengthening our Cognitively Guided Instruction (CGI), with monthly leader support, aligned to our vision. CGI is a framework that helps teachers to understand how children's mathematical ideas develop, and provides an opportunity to build on the child's own thinking and understanding. This past year, we continued Professional Development on CGI for our School Leaders to support teachers to make the sustained and generative changes in their practice that have been shown to have a positive effect on student outcomes. Achievement First Legacy Charter School 2022-23 Accountability Plan Progress Report Page 7 of 10

METHOD

The NWEA 2020 MAP Growth Norms Study provides achievement status and growth norms for individual students and grade levels within schools in each of the four subject areas: reading, language usage, mathematics, and general science.

The (first table with RIT) first table on student achievement scores for AF Legacy Charter shows that our 1st grade Average RIT of 177 at the EOY 2023 is above the NWEA norms for 1st grade at 176.40. And in K, our Average RIT of 154, is below the NWEA norm of 157.11.

RESULTS AND EVALUATION

The student growth percentile (SGP) describes a student's growth compared to other students with similar prior test scores (their academic peers). Our students averaged in the 44th percentile score, indicating growth in Math at Legacy was greater than 44 percent of similar students taking MAP Math on average.

Region	School Name	# Tested												
NY	AF Legacy ES	144				1396		196						+1296
Grand T	otal					13%		1%						+12%
			0%	596	10%		096		+2%	+4%	+6%	+8%	+10% +	12%
				% Prof	Current		% Prof Baseline				% Prof	Growt	h	

Overall, at Legacy, performance on the MAP Math increased in students testing proficient from 1% in the fall to 13% in the spring. This shows an increase from fall-to-spring of 12% of students tested in the proficient range.

						А	vg. RIT S	core:	IEP Enro	olled / A	ll Ot	her Sc	holars		
Grade Level	Total # of Students	# in Group	% of Total Population	0.0	50.0	Group (100.0	Avg. RIT) 150.0	200	0.0	-10	0.0	Av -5.0	rg. RIT G 0.0	iap 5.0	10.0
К	57	7	12%	0.0	50.0	100.0	148		0.0		-6.8		0.0	5.0	10.0
1st	89	6	7 %					167		-10.1					
			AF Network				15	7		-12	2.0				

By the end of the year, students with disabilities at Legacy elementary had an average RIT score 12 points below their general education peers on average for MAP Math.

Achievement First Legacy Charter School 2022-23 Accountability Plan Progress Report Page 8 of 10

Additional Context and Evidence

As noted above, students saw an increase in 12% in proficiency from fall to spring. While the growth demonstrates an average range of growth when considering MAP normative data, the equity data reveals necessary attention needed for students within these subgroups. A continued investment in strengthening tier one instruction is needed, while increased focus on equity subgroups throughout the school year is necessary to eliminate these discrepancies.

ACTION PLAN

In Elementary Math we are focused on expanding our Cognitively Guided Instruction based on positive feedback and data from schools as well as our adding a Context for Learning Mathematics (CFLM) pilot in K-4 that is grounded in a constructivist approach to determine our long term plan for our math program. We have partnered with external experts to engage in collective site visits to continue to monitor the quality of our execution and to provide ongoing feedback to schools.

We also have improved our assessment strategy to better monitor student skill acquisition and growth throughout the year- we are most focused on our CGI test data and Counting Proficiency Assessment data. We have formalized windows, improved data entry systems and added completion monitoring for the Counting Proficiency Assessment which is one of the most important assessments for K-1 students in Math and should drive continued improved MAP Math scores.

GOAL 3: SCIENCE

Goal 3: Science Students will demonstrate proficiency in the understanding and application of scientific principles.

Метнор N/A
Results and evaluation N/A
Additional Context and Evidence N/A
Action Plan N/A

GOAL 4: ESSA

Goal 4: Absolute Measure

Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school's status under the state accountability system. More information on assigned accountability designations and context can be found <u>here</u>.

RESULTS AND EVALUATION

Achievement First Legacy Elementary school received a Comprehensive Support and Improvement Status for 22-23 based on results from 21-22. According to NYSED, Legacy made progress toward improvement based on self-assessment results.

	Accountability Status by Year
Year	Status

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Achievement First Brooklyn Charter Schools as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Reported on Summarized Comparative Information

We have previously audited Achievement First Brooklyn Charter Schools' 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 31, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* and the combining schedule of activities by charter and schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, combining schedule of activities by charter and schedules of functional expenses are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2023, on our consideration of Achievement First Brooklyn Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Achievement First Brooklyn Charter Schools' internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2023

Note 1 - Nature of operations

Achievement First Brooklyn Charter Schools (the "School") focus on strengthening the academic and character skills needed for all students to excel in top-tier colleges, to achieve success in a competitive world, and to serve as the next generation of leaders in their communities. The Board of Regents of the State University of New York ("SUNY") originally granted individual charters to the schools (Achievement First Apollo Charter School, Achievement First Aspire Charter School, Achievement First Brownsville Charter School, Achievement First Bushwick Charter School, Achievement First Crown Heights Charter School, Achievement First East New York Charter School and Achievement First Endeavor Charter School). These charters were valid for a term of five years and renewable upon expiration. Additional charters were subsequently granted to Achievement First Linden Charter School, Achievement First Legacy Charter School, Achievement First Voyager Charter School and Achievement First School. The supplemental schedules to the financial statements provide additional operating activity by charter. The schools operate under one legal entity. The financial statements reflect the activities of the eleven charter schools for the fiscal year ended June 30, 2023.

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC") and under the corresponding provisions of the New York State tax laws. The School's primary source of income is government funding. The School has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the IRC and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(ii). Today, the School serves students primarily from low-income households in Brooklyn and Queens, New York.

During the year ended June 30, 2023, the School operated classes for students in K-12. Charters that share space with New York City Department of Education ("NYCDOE") schools are not responsible for rent, utilities, custodial services, or maintenance. Charters that share space with other charter schools or do not share space are responsible for operating occupancy costs.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the School and changes therein are classified and reported as follows:

Net assets without donor restrictions represent available resources other than donor-restricted contributions. Included in net assets without donor restrictions are funds that may be earmarked for specific purposes.

Board-designated net assets represent net assets established by the Board of Trustees, which represents funds without donor restrictions set aside for future needs of the School. Cash basis operating surpluses, if they exist at year-end, may be used to accumulate the board-designated reserve. Utilization of the reserve may be approved by the Board of Trustees and used for emergency funds in case of an unexpected financial crises, start-up costs for growth needs, facility capital requirements, principal-in-residence salaries and one-time projects which have significant future potential. The reserve balance will be generated from the schools' budgeted per-pupil operating revenue, excluding state and federal nonoperating grants.

Notes to Financial Statements June 30, 2023

Net assets with donor restrictions are subject to donor- (or certain grantor-) imposed restrictions which are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Statement of cash flows

For purposes of reporting cash flows, the School considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2023.

Cash and cash equivalents

The following table provides a reconciliation of cash and restricted cash reported within the statement of financial position that sum to the total of the same such amount shown in the statement of cash flows:

	 2023	 2022
Cash Restricted cash	\$ 46,790,717 350,000	\$ 38,856,358 350,000
Total	\$ 47,140,717	\$ 39,206,358

Restricted cash

The School has designated \$350,000 to be set aside for contingency purposes as required by the Board of Trustees of the State University of New York.

Grants and other receivables

Grants receivable represent amounts owed to the School for federal or state funding. Grants receivable that are expected to be collected within one year, and recorded at net realizable value, are \$10,443,859 at June 30, 2023. The School has determined that no allowance for uncollectible accounts for receivables is necessary as of June 30, 2023. Such estimate is based on management's assessments of the creditworthiness of its donors, the aging of its receivables as well as current economic conditions and historical information.

Revenue recognition

The School reports unconditional promises to give as revenue when the promise is received. Conditional promises to give are recognized as revenue when the condition is met. Grants and contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose conditions and restrictions are met in the same reporting period have been reported as support increasing net assets without donor restrictions in the statement of activities.

Revenue from state and local governments resulting from the School's charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement. The School receives a substantial portion of its support and revenue from the NYCDOE. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

Notes to Financial Statements June 30, 2023

Donated goods and services

The School occasionally receives contributed goods and services. Such goods and services are only recorded as in-kind contributions at their fair value, provided they meet the criteria for recognition. Such criteria includes contributions of services that (i) create or enhance nonfinancial assets or those that require specialized skills, (ii) are provided by individuals possessing those skills, and (iii) would typically need to be purchased, if not provided by donation, and are recorded at their fair value in the period received.

Contributed services received from Board Members and volunteers are not recorded in the financial statements since these services do not meet the criteria for recognition as contributed services.

The School does not record any in-kind contributions and related costs with respect to dedicated and shared space provided to it by the NYCDOE as the premises are temporary in nature, is excess shared space whereby a fair value cannot be determined and is industry practice.

Property and equipment

Property and equipment are stated at cost. The School has established a threshold for review of expenditures equal to or greater than \$3,000 for potential capitalization as a fixed asset. Property and equipment acquired with certain government contract funds is recorded as an expense pursuant to the terms of the contract in which the government funding source retains ownership of the property. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized.

Depreciation and amortization are provided on a straight-line basis over the estimated useful lives or lease terms as follows:

Asset	Estimated lives
Leasehold improvements Furniture and fixtures Computers and hardware	5 - 20 years 5 - 8 years 3 - 7 years
Equipment	3 - 7 years

Long-lived assets

The School recognizes an impairment loss when the carrying amount of a long-lived asset exceeds its fair value. In the event that facts and circumstance indicate that the carrying amounts of long-lived assets may be impaired, an evaluation of recoverability would be performed. The evaluation process consists of comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write down is required. If the review indicates that the asset will not be recoverable, the carrying value of the asset would be reduced to its estimated realizable value. There was no impairment loss recognized for the year ended June 30, 2023.

Functional allocation of expenses

The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's assessment. Health and retirement benefits and payroll taxes are allocated to programs and supporting services based on the percentage of salary expense of the program to total salary expense.

Notes to Financial Statements June 30, 2023

Tax-exempt status

The School is exempt under Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from private foundation status under IRC Section 509(a)(3) and as such is not subject to federal or state income taxes.

Management has analyzed the tax positions taken by the School and has concluded that, as of June 30, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School's federal information returns prior to fiscal year 2020 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If the School has unrelated business income taxes, it will recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statements of financial position.

Prior year summarized information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements of Achievement First Brooklyn Charter Schools for the year ended June 30, 2022, from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of credit risk

The School maintains cash and cash equivalent balances in various financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation. From time to time, the School's balances may exceed these limits. As of June 30, 2023, the School had uninsured bank balances of \$45,359,125. The School limits its credit risk by selecting financial institutions considered to be highly creditworthy.

Subsequent events

Management has reviewed subsequent events through October 31, 2023, which is the date the financial statements were approved and available for issuance.

Note 3 - New accounting pronouncement

The School adopted Accounting Standards Update 2016-02 (as amended), *Leases* ("Topic 842") on July 1, 2022 ("Adoption Date"). Topic 842 requires lessees to recognize a right-of-use asset and a corresponding lease liability for most leases. The School elected and applied the following practical expedients on the Adoption Date:

• The package of practical expedients permitting the School to not reassess (i) the lease classification of existing leases; (ii) whether existing and expired contracts are or contain leases; and (iii) initial direct costs for existing leases.

Notes to Financial Statements June 30, 2023

The School recognized the following as of the Adoption Date in connection with transitioning to Topic 842:

	As o	As of July 1, 2022		
Operating lease right-of-use assets	\$	8,001,712		
Operating lease liabilities		8,725,746		

The adoption of Topic 842 did not have a material impact on the School's change in net assets for the year ended June 30, 2023.

The School presents its right-of-use assets and lease liabilities for operating leases separately on its statement of financial position. See Note 14 regarding the School's right-of-use assets for operating leases and lease liabilities.

Note 4 - Liquidity

The School regularly monitors liquidity required to meet its annual operating needs and other contractual commitments. As of June 30, 2023, the School has financial assets available to meet annual operating needs for the 2024 fiscal year as follows:

Cash Grants and other receivables	\$ 46,790,717 10,443,859
Receivable from related party - revolving lines of credit Due from other school	 7,142,270 6,039
Total financial assets	64,382,885
Less Receivable from related party - revolving lines of credit Board-designated reserve	(7,142,270) (7,000,000)
Financial assets available to meet cash needs for general expenditures within one year	\$ 50,240,615

These financial assets are not subject to any grantor or contractual restrictions. The School supports its general operations primarily with Federal and State grants, which are recognized as purpose restrictions are met. The balances due to the NYC Department of Education and NYS Education Department represent advances received that are due back to the State based on the fiscal year reconciliation and do not represent operating expenses.

Note 5 - Receivable from related party - unsecured revolving line of credit

The School has entered into unsecured revolving lines of credit established with entities that are wholly owned by Achievement First, Inc. ("AF"). See Note 9 for the relationship between the School and AF. AF lines bear interest at a fixed rate of 2.6%. Funds are available upon written request. The School may demand repayment of principal and/or accrued interest in part or in full at any time and

Notes to Financial Statements June 30, 2023

such repayments shall be due 45 business days thereafter. Balances on the lines are as follows as of June 30, 2023:

	Credit limit		Credit limit Amount d	
AF Brooklyn HS4, LLC AF Queens ES1, LLC AF Glenmore Avenue, LLC		5,000,000 4,000,000 4,000,000	\$	3,549,327 1,605,693 1,987,250
	\$	13,000,000	\$	7,142,270

Note 6 - Concentrations

The School received approximately 83% of its operating revenue, which is subject to specific requirements, from per pupil funding from the NYCDOE during the year ended June 30, 2023.

The School's grants and other receivables consist of 97% from the State of New York as of June 30, 2023.

Note 7 - Property and equipment

The following is a summary of property and equipment at June 30, 2023:

Leasehold improvements Furniture and fixtures Computers and other hardware	\$ 16,195,658 313,475 48,554
Equipment	1,556,755
Less accumulated depreciation	18,114,442 (11,977,565)
	\$ 6,136,877

Depreciation expense was \$1,885,485 for the year ended June 30, 2023.

Note 8 - Lease acquisition costs

The NYCDOE, through the New York State Construction Authority ("NYSCA"), agreed to help finance the development and construction of 510 Waverly Avenue, Brooklyn, New York provided that Civic Builders (the "construction manager") and Achievement First Endeavor Charter School collectively contributed 20% of the costs of the construction.

In December 2012, NYSCA, the landlord, entered into an agreement to lease the building to Civic Builders for a 30-year term. Civic Builders entered into an agreement to sublease the building to AF Waverly LLC. AF is the sole member, which in turn leases the building to the School under the same terms at an annual lease of \$1 plus operating costs. The lease acquisition costs of \$6,792,379 include the costs incurred by Achievement First Endeavor Charter School in meeting their obligation to NYCDOE to fund 20% of the costs of construction; these costs are amortized over the 30-year lease term. Amortization expense for the year ended June 30, 2023 was \$226,412 and accumulated amortization at June 30, 2023 was \$2,926,692. Amortization expense for each of the next five years is \$226,412.

Notes to Financial Statements June 30, 2023

Note 9 - Related party transactions

The School entered into an Academic and Business Services Agreement (the "Agreement") with AF, a not-for-profit organization dedicated to helping start and run charter schools. This Agreement provides management and other administrative support services to the School.

Pursuant to the terms of the Agreement, the School pays a service fee equivalent to 10% of public revenues received by the School during or for that school year. Public revenues include all sources of revenue from a public source, but specifically exclude in-kind contributions such as student transportation, start-up funding, funding for student meals, and funding from competitive public grants. The Agreement automatically renews to coincide with the charter renewals for each school. The Agreement covers services including bookkeeping, facilities acquisition and management, special education delivery support, data analysis management support, and tutoring program support. The School is to pay AF an ancillary services fee that is mutually negotiated by the School and AF. For the year ended June 30, 2023, the School incurred management and ancillary services fees of \$19,289,138, which are included in the accompanying statement of functional expenses. AF is also the recipient of grant funds that are passed through AF to the School. The amount due to AF at June 30, 2023 was \$931,604.

The School received \$348,221 of contributions from AF for the year ended June 30, 2023. See Note 14 for related party leases.

Note 10 - Due from/to other schools

The following amounts were due from/to related schools and consist of the following at June 30, 2023:

Achievement First Providence Charter School		5,159
Achievement First Bridgeport Academy		(560)
Achievement First Elm City Charter School		880
	\$	5.479

Note 11 - Loans payable

Loans payable to Charter School Growth Fund bear interest at 1% and 3%. The 1% loans are startup loans and no payments of principal or interest are required until maturity. The 3% loans are improvement loans and require annual payments of principal and interest. Loans mature through June 30, 2023. This loan balance was repaid in full as of June 30, 2023. Interest expense of \$4,672 is included in interest expense on the statement of functional expenses.

The loan payable to Peak Demand Energy is a noninterest-bearing loan. The loan was established to pay for lighting costs related to school renovations. The loan is paid through monthly payments equal to the cost savings, quantified by the reduction in energy usage each month, which is approximately \$2,000 per month. The loan was paid off during fiscal year 2023.

Note 12 - Due to NYC Department of Education and the New York State Education Department

The NYCDOE paid the School per pupil grant funds in six installments, based on estimates from the School. At the end of each year, the NYCDOE reconciles the total amount paid against the full-time-equivalent enrollment for the year and determines if an overpayment or underpayment has been made. As of June 30, 2023, an overpayment totaling \$83,561 had been made; an adjustment for

Notes to Financial Statements June 30, 2023

this amount will be reflected in the third payment from NYCDOE in FY 2024. Additionally, the New York State Education Department informed the School during the year ended June 30, 2018, that an error had been made in the allocation of Title II funds available to districts throughout the State. As a result, \$788,840 was received by the School in excess of the State's recalculated grant allocation. During the year ended June 30, 2023, the final installment of \$157,768 was repaid.

The School discontinued their involvement in the National School Lunch Program as of June 30, 2023. As a result, the School owes the New York State Education Department \$457,456 for unexpended funds. As of June 30, 2023, the School also owes the New York State Education Department \$6,577 for an overpayment of Title I funding.

Note 13 - Contributed nonfinancial assets

For the year ended June 30, 2023, contributed nonfinancial assets recognized within the statement of activities included:

				2023	
	-	Revenue ecognized	Utilization in programs/activities	Donor restrictions	Valuation techniques and inputs
Digital learning	\$	268,144	Regular education	None	Donor's purchase cost
Textbooks		173,894	Regular education	None	Donor's purchase cost
Library books		55,592	Regular education	None	Donor's purchase cost

Note 14 - Leases

The School leases buildings and office equipment. All contracts that implicitly or explicitly involve property, plant and equipment are evaluated to determine whether they are or contain a lease.

At lease commencement, the School recognizes a lease liability, which is measured at the present value of future lease payments, and a corresponding right-of-use asset equal to the lease liability, adjusted for prepaid lease costs, initial direct costs and lease incentives. The School has elected and applies the practical expedient available to lessees to combine non-lease components with their related lease components and account for them as a single combined lease component for all its leases. The School remeasures lease liabilities and related right-of-use assets whenever there is a change to the lease term and/or there is a change in the amount of future lease payments, but only when such modification does not qualify to be accounted for as a separate contract.

The School determines an appropriate discount rate to apply when determining the present value of the remaining lease payments for purposes of measuring or remeasuring lease liabilities. As the rate implicit in the lease is generally not readily determinable, the School estimates the risk-free rate as the discount rate. The School's risk-free rate, which is determined at either lease commencement or when a lease liability is remeasured, is the rate on the U.S. government securities over a period commensurate with the lease term.

For accounting purposes, the School's leases commence on the earlier of (i) the date upon which the School obtains control of the underlying asset and (ii) the contractual effective date of a lease. Lease commencement for most of the School's building leases coincides with the contractual effective date. The commencement date for most of the school's office equipment leases coincides with when the School obtains control of the underlying assets. The School's leases generally have minimum base terms with renewal options or fixed terms with early termination options. Such

Notes to Financial Statements June 30, 2023

renewal and early termination options are exercisable at the option of the School and, when exercised, usually provide for rental payments during the extension period at then current market rates or at pre-determined rental amounts. Unless the School determines that it is reasonably certain that the term of a lease will be extended, such as through the exercise of a renewal option or non-exercise of an early termination option, the term of a lease begins at lease commencement and spans for the duration of the minimum non-cancellable contractual term. When the exercise of a renewal option or non-exercise of an early termination option is reasonably certain, the lease term is measured as ending at the end of the renewal period or on the date an early termination may be exercised.

The School includes variable rental payments based on a rate or an index such as the Consumer Price index (CPI) in its measurement of lease payments based on the rate or index in effect at lease commencement. Other types of variable lease payments are expensed as incurred.

Leases involving real estate

Leases of facilities have three-year terms, which terms have been incorporated into our measurement of the related right-of-use assets and lease liabilities. Although most of the real estate leases include one or more options to renew that can extend the contractual terms from one to three years, those renewal options are exercisable solely at the School's discretion and have been excluded from lease term measurements. The real estate leases generally require reimbursement of real estate taxes, common area maintenance, and insurance. The School leases these facilities from two limited liability companies wholly owned by AF. Such leases provide for below market rentals, are cancellable at any time, and do not provide purchase options.

Rental payments on these leases typically provide for fixed minimum payments that increase over the lease term at predetermined amounts.

The School entered into a facility lease with Glenmore Avenue, LLC, a limited liability company wholly owned by AF, which will commence upon substantial completion of the school. Upon commencement, monthly rent payments are \$214,208 and are subject to a 2.6% increase each year. The agreement with Glenmore Avenue, LLC has a term of 30 years and allows the lease to be extended for an additional 19 years if the overlease is extended and requires the School to achieve certain financial covenants upon occupancy of the premises.

Leases involving equipment

Office equipment leases have lease terms that generally range from less than one year to five years and generally do not have renewal options. Rental payments on these leases have fixed payments.

Notes to Financial Statements June 30, 2023

Financial information

The following contains information about the School's right-of-use assets and lease liabilities for its operating leases as of June 30, 2023:

	Statement of Financial Position Classification	Jur	ne 30, 2023
Right-of-use assets Operating leases	Noncurrent assets	\$	5,955,315
Lease liabilities Current			
Operating leases Noncurrent	Current liabilities	\$	4,466,041
Operating leases	Noncurrent liabilities		2,304,911
Total lease liabilities		\$	6,770,952

The components of the School's lease cost for the year ended June 30, 2023 are as follows:

	Statement of Functional Expense Classification	Ju	ne 30, 2023
Operating lease cost, net			
Rent expense	Repairs and maintenance, Office expense	\$	3,803,525
Short-term lease expense	Office expense	\$	141,822

The School had elected to apply the short-term practical expedient to its leases. The rental costs of short-term leases are included in office expenses in the statement of activities.

Supplemental cash flow information related to the School's leases for the year ended June 30, 2023 is as follows:

Year ended June 30, 2023	Operating leases	
Cash paid for amounts included in the measurement of lease liabilities Operating	\$	3,711,926
Right-of-use assets obtained in exchange for lease liabilities		
Operating	\$	9,527,943

Notes to Financial Statements June 30, 2023

The weighted average remaining term and weighted average discount rate for the School's leases are as follows as of June 30, 2023:

Weighted average remaining term (in years)	2.21
Weighted average discount rate	3.01%

(1) The Organization has elected to use a risk-free rate as the discount rate for its leases. The Organization uses rates on U.S. government securities for periods comparable with lease terms as risk-free rates.

The annual maturity analysis of the School's lease liabilities as of June 30, 2023 is as follows:

Calendar year	Ope	erating leases
2024 2025 2026 2027 2028	\$	4,599,601 1,032,315 718,093 544,270 110,026
Total lease payments Less: Interest		7,004,305 233,353
Present value of lease liability Less: current portion of lease liabilities		6,770,952 4,466,041
Noncurrent portion of lease liabilities	\$	2,304,911

Note 15 - Agreement for School facilities

The School has entered into verbal agreements with the NYCDOE for dedicated and shared space at a cost of \$1 per year or less. In accordance with industry standards, the fair value of the rent has not been recorded. The School will be responsible for any overtime-related cost for services provided beyond the regular opening hours. For the year ended June 30, 2023, the School incurred no overtime and incurred no permit fees. The School also entered into an Administrative Cost Management Agreement that requires the School to pay Uncommon Crown Heights, LLC for its share of the building costs for the facilities located at 1485 Pacific Street, Brooklyn, New York. The fair value of the rent has not been included in the accompanying financial statements as the agreement is nonbinding, the premises are temporary in nature, is excess shared space whereby a fair value cannot be determined and is industry practice.

Note 16 - Pension plan

Effective September 1, 2006, the School adopted a 403(b) profit sharing plan (the "Plan") which covers most of the employees. The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan upon employment. Those employees who have completed at least one full year of service are also eligible for employer contributions. The Plan provides for the School to contribute up to 4% of an employee's salary, up to a maximum match of \$2,500 per year, per employee. The School contribution is not vested until the employee's third year, when he or she becomes fully

Notes to Financial Statements June 30, 2023

vested. For the year ended June 30, 2023, pension expense for the School was approximately \$1,200,000, which is included in retirement in the accompanying statement of functional expenses.

Note 17 - Risk management

The School is exposed to various risks of loss related to torts; thefts of, damage to and destruction of assets; actions by employees and parents; and natural disasters. The School maintains commercial insurance to protect itself from these risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School, as well as additional funds for the use of facilities. The accompanying financial statements make no provision for the possible disallowance or refund because management does not believe that there are any liabilities to be recorded.

Note 18 - Conditional contribution

AF received a conditional grant commencing April 2020 for expansion and minor repairs, of which they have allocated \$4,629,142 to the School. This grant is expected to cover periods through March 2025. Donor conditions specify that amounts must be spent on expenditures relevant to approved grant purpose. Since this grant represents a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. For the year ended June 30, 2023, \$109,826 was recorded as revenue related to this grant. The remaining conditional promise to give at June 30, 2023 was \$3,500,607.

During the year ended June 30, 2021, the School received conditional ESSER grants of \$46,311,444. These grants are expected to cover periods through September 2023. Donor conditions specify that amounts must be spent on expenditures relevant to the approved grant purpose. Since these grants represent a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. Prior to 2023, \$10,093,571 of the conditions were met. During 2023, contribution revenue of \$8,702,195 and \$43 of contributions expired were recorded related to this grant. The remaining conditional promise to give at June 30, 2023 was approximately \$27,500,000.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees Achievement First Brooklyn Charter Schools

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated October 31, 2023.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Achievement First Brooklyn Charter Schools' internal control over financial reporting ("internal control") as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Achievement First Brooklyn Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2023-001.

Achievement First Brooklyn Charter Schools' Response to Findings

Achievement First Brooklyn Charter Schools' response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Hartford, Connecticut October 31, 2023

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Trustees Achievement First Brooklyn Charter Schools

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Achievement First Brooklyn Charter Schools' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Achievement First Brooklyn Charter Schools' major federal programs for the year ended June 30, 2023. Achievement First Brooklyn Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Achievement First Brooklyn Charter Schools complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Achievement First Brooklyn Charter Schools' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Achievement First Brooklyn Charter Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Achievement First Brooklyn Charter Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with *GAAS, Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Achievement First Brooklyn Charter Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2023-002. Our opinion on each major federal program is not modified with respect to this matter. *Government Auditing Standards* requires the auditor to perform limited procedures on Achievement First Brooklyn Charter Schools' response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant

deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance with a type of compliance with a type of deficiencies, in internal control over compliance with a type of compliance is a deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance with a scompanying schedule of findings and questioned costs as item 2023-002, to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. *Government Auditing Standards* requires the auditor to perform limited procedures on Achievement First Brooklyn Charter Schools' response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards June 30, 2023

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Achievement First Brooklyn Charter Schools (the "School") under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass through identifying numbers are provided when available.

Note 3 - Indirect cost rate

The School has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

I. Summary of Auditor's Results

Financial Statements:

	Type of report the auditor issued on whether the financial statements audited were prepared in accordance with GAAP:

Dollar threshold used to distin and type B programs:	nguish between type A	<u>\$750,000</u>	
Auditee qualified as low-risk	auditee?	yes <u>X</u> no	

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

II. Findings - Financial Statement Audit

Finding No. 2023-001

Criteria

According to the Audit Guide for State University of New York ("SUNY") Authorized Charter Schools, the School is required to perform a criminal history records search which includes the fingerprinting and background checking of all prospective employees. Test results must be obtained to ensure clearance for employment.

Condition

The School did not have records of performing fingerprint and criminal history record checks for all employees hired during the year ended June 30, 2023.

Context

A sample of 40 new hires was selected from a population of 304. We identified exceptions in 5 out of the 40 new hires tested. The sample was not statistically valid.

Cause

The School did not have a clear process for following up on new hire background check clearances.

Effect

The School is not in compliance with the hiring procedures required under the laws, regulations, contracts and grant agreements requirements of the Audit Guide for SUNY Authorized Charter Schools.

Identification as a Repeat Finding

This is not a repeat finding.

Recommendation

The School should review its procedures and internal controls over its performance of fingerprint and criminal history record checks for new hires to ensure compliance with SUNY Charter School requirements. The internal controls should include assuring 100% testing and retaining documentation to support the performance of these checks.

Reporting Views of Responsible Officials

The School will review the procedures and internal controls to SUNY Charter School Requirements to ensure 100% compliance.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

III. Findings and Questioned Costs - Major Federal Award Programs Audit

Finding No. 2023-002 - COVID-19 Education Stabilization Fund - Elementary and Secondary School Emergency Relief Fund - Assistance Listing Number #84.425D

Criteria

According to 2CFR Part 200.405 of the Office of Management and Budget's Uniform Guidance, a cost is allowable to a particular Federal award or to the cost objective if the goods or services involved are chargeable or assignable to that Federal award or cost objective in accordance with the relative benefits received.

Condition

The School provided a completed claim report for reimbursement of expenses that was finalized internally but not yet submitted to the grantor. The report was not properly reviewed resulting in an overstatement of expenses incurred in the report.

Questioned Costs

The claim report was modified prior to submission to the grantor, therefore there were no questioned costs.

Context

The School submits quarterly claim reports. The final report was not properly reviewed nor prepared.

Cause

Certain costs were double counted within the claims report due to the report not being properly reviewed.

Effect

Lack of a proper review may result in an incorrect claim filing and receipt of funds in excess of allowable costs incurred.

Identification as a Repeat Finding

This is not a repeat finding.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

Recommendation

Claim reports and supporting schedules should be reviewed prior to finalization by the supervisor of the preparer of the report.

Reporting Views of Responsible Officials

We agree with the finding and will develop procedures to address the finding.

AKAM Associates - Queens ES1 LLC. 118-49 Montauk Street St. Albans NY 11412 (212)986-0001

Description of Work

Fire Alarm Test and Inspection Services as per NFPA72 Requirements

Frequency: Semi-Annual

Terms: 2-Years

The cost of this service will be billed on an annual basis, every year hereafter, unless otherwise agreed to by both parties.

The term of this agreement will be for a minimum of two (2) years from the acceptance and/or execution of this proposal, and will automatically renew for the same term at a 4% increase for each year, unless either party provides a written termination notice 60-days from the expiration date of the said agreement.

Services to be completed

Fire Alarm (ANNUALLY)

Fire Alarm Annual Full Inspection Service as per NFPA 72

TFP to perform the following required inspection services:

- * Provide an itemized Report of all testing performed.
- * Operational testing and cleaning of all smoke detectors.
- * Operational testing of all pull stations.
- * Operational testing of all heat detectors(addressable only).
- * Operational testing and cleaning of all duct detectors.
- * Operational testing of all carbon monoxide detectors.
- * Operational testing of all audio and visual notification devices.
- * Operational elevator integration (to be performed with elevator company).
- * Operational testing of releasing devices: Door holders, access door release.
- * Operational testing of HVAC shutdown integration (to be performed with HVAC company).
- * Operational test of control panel communicator, and verify receipt of central station signals.
- * Electronically test all Waterflow and Tamper Switches connected to fire alarm system.
- * Perform a load test of all standby batteries for each panel and visually check for corrosion or leakage.
- * Test outputs of all internal and external power supplies.
- * Blow out and clean all panels and all control components thoroughly cleaned
- * Check integrity of panel component outputs and wiring and verify that all LED's function properly for each panel
- * Provide a Certificate of Fitness based on the status of system operations upon successful completion of each inspection

Estimated Completion: 08/01/2023 to 08/31/2023

Fire Alarm ANNUALLY Fire Alarm Semi-Annual Visual Inspection Service as per NFPA 72 TFP to perform the following required inspection services:

- * Provide an itemized Report of all testing performed
- * Electronically test all Waterflow and Tamper Switches connected to fire alarm system.
- * Perform a load test of all standby batteries for each panel and visually check for corrosion or leakage.

* Visual inspection of all system components to ensure there are no changes that affect equipment performance. Inspect for building modifications, occupancy changes, changes in environmental conditions, device location, physical obstructions, device orientation, physical damage, and degree of cleanliness.

- * Visual inspection of all manual pull stations to verify proper location and condition.
- * Visual inspection of the smoke, heat, and duct detectors to confirm proper location and condition.
- * Visual inspection of all audio and visual notification devices to verify proper location and condition.
- * Visual inspection of Remote Annunciators to verify proper location and condition.
- * Visual inspection of the emergency voice/communications equipment to verify proper location and condition.

* Blow out and clean all control panel equipment and components thoroughly.

Estimated Completion: 02/01/2024 to 02/29/2024

Parts, labor, and fees	Quantity	Unit Price	Total
Year 1 Cost	1	\$4,900.00	\$4,900.00
Year 2 Cost	1	\$5,071.50	\$5,071.50
		GRAND TOTAL	\$9,971.50

Terms and Conditions

Total Fire Protection - Fire Alarm and Integrated Solutions

Fire Alarm Inspection Test and Maintenance Terms & Conditions

- Inspection Services are contingent upon customer's ability to provide full access to the rooms throughout the building during time of inspection. Any extensive slowdowns of accessibility are subject to additional fees of lost time and services provided at the discretion of TFP, and will be billed on T&M basis in accordance with TFP's standard service labor charges.
- 2. Unless stated elsewhere in this quote estimate, this price is based on regular time work between Monday Friday, 8:00AM to 4:30PM, excluding Holidays.
- 3. Ladders and lifts shall be provided by TFP. If required; specialty lifts, scaffolding, or any special access requirements will be separately quoted.
- 4. System is assumed to be operational and free of any defects and violations at time of agreement.
- 5. Unless we are providing Central Station Monitoring Service, placing the system on line and off line shall be the responsibility of facility related personnel.
- 6. Supervised devices and equipment related to Wet & Dry Sprinkler System, Dry-Pipe System, Pre-Action System

Deluge System or any other System monitored by the Fire Alarm System shall be manually tested at the fire alarm system monitor module unless authorized facility personnel or sprinkler contractor is present to perform a functional test of the system in conjunction with our testing service. The additional time required for functional testing of the referenced systems is not included in this quote and shall be quoted separately.

Fire Alarm Services Terms & Conditions

- 1. Code Compliance Requirements services detailed in this Proposal must be performed as mandated by the relevant code, and as required to ensure conformity with such code or regulatory agency. Failure to perform these services may result in the corresponding Service Location receiving a violation and/or summons for non-compliance.
- 2. Please make sure our personnel have access to all your system components if any unit/service is claimed as not being performed once we have completed our services and have left your premises, we will verify our records to assure this service was part of the contract. If not, we will provide the service and the minimum service fee pertaining to your area will be assessed, in addition to the actual services.
- 3. All visits will be coordinated and confirmed with your assigned Company representative please be informed that any coordinated visit that is canceled by the Customer or if no escort is available with less than 24-hours notification given to TFP1, Inc D/B/A Total Fire Protection (hereunder TFP or Total Fire Protection), due to situations not caused by Total Fire Protection, will be billed separately as a service call fee and a new date will be scheduled for the inspection/service.
- 4. Fire Detection Equipment Inspection If Fire Alarm Inspection is specified under the Schedule of Inspections as a service to be provided, an operational, visual or electronic test of all Fire Alarm Devices will be performed at the frequency indicated. An itemized report will be provided listing the status of each device together with a Certificate of Systems Fitness or Deficiency. A "Blow Out" cleaning, with compressed air, will be performed on all Smoke Detectors at least annually.
- 5. Comprehensive Service Reports will be created at the time of inspection. The report will reveal all information relating to the operation and status of your Fire Alarm system. The Comprehensive Service Report will represent if any additional service(s) or maintenance is required on the existing Fire Alarm system to bring up to local code requirement. Should additional services be required, a deficiency proposal will be sent for your approval.
- 6. Service Call Labor Rates Customer agrees to pay TFP for repair service on a per call basis for service for all parts and labor at lime of service. Service will be billed at our standard rate in effect at the time service is performed. The below rates will be applied if Total Fire Protection is asked to

provide a service call beyond the scope of work detailed in this proposal.

Service Call Labor Rates

Cost (plus applicable sales tax)

Service Call Premise Charge \$125

Straight-time (Monday Friday, 8AM 4PM) (4-hour minimum) \$183.75

Overtime (4-hour minimum) \$275.63

Holiday and Emergency After-hours (6-hour minimum) \$367.50

1. Service Call Labor Rates and Charges - Total Fire Protection, at its sole discretion, reserves the right to change applicable service rates and charges for services provided including, but not limited to the rates reflected on this form of proposal, without prior notice. After the expiration of one year from the date hereof TFP shall be permitted from time to time to increase the servicing charge by an amount not to exceed seven percent each year and Customer agrees to pay such increase.

After the expiration of one year from the date hereof TFP shall be permitted from time to time to increase the servicing charge by an amount not to exceed seven percent each year and Customer agrees to pay such increase.

 Terms This agreement constitutes the full understanding of the parties and may not be amended or modified or canceled except in writing signed by both parties, except that in the event TFP issues a UL certificate to Customer, TFP will comply with Underwriters Laboratory Inc. or any local law requirements regarding items of protection provided for in this agreement. This contract shall be governed by the laws of the State of New York. Should any provision of this agreement be deemed void, all other provisions will remain in effect by TFP and TFP is authorized to file a financing statement.

This agreement constitutes the full understanding of the parties and may not be amended or modified or canceled except in writing signed by both parties, except that in the event TFP issues a UL certificate to Customer, TFP will comply with Underwriters Laboratory Inc. or any local law requirements regarding items of protection provided for in this agreement. This contract shall be governed by the laws of the State of New York. Should any provision of this agreement be deemed void, all other provisions will remain in effect by TFP and TFP is authorized to file a financing statement.

- 1. Testing of Fire Detection System The parties hereto agree that the fire detection equipment, once installed, is in the exclusive possession and control of the Customer, and except for TFP's scheduled Inspections, it is Customer's sole responsibility to test the operation of the fire detection equipment and to notify TFP if any equipment is in need of repair. TFP shall not be required to service the fire detection equipment unless it has received notice from Customer, and upon such notice, TFP may service the fire detection equipment to the best of its ability within 36 hours, exclusive of Saturday, Sunday and legal holidays, during the business hours of 9 a.m. and 5 p.m. provided Customer agrees to pay for the labor and material charge for such service. Nothing contained herein shall be construed to require Customer to request service from TFP or require TFP to provide per call Repair Service. Customer may request Repair Service from third parties and TFP shall have no responsibility for the performance of third parties engaged by Customer. Customer agrees to test and inspect the fire detection equipment and to advise TFP of any defect, error or omission in the fire detection equipment. The Customer must supply TFP with any ladders, hi-lows or scaffolding to test any device over 10 feet above the finished floor. TFP is not responsible for sealing of any and all wall penetration or restoration of walls, floors, and or ceilings to original condition.
- Customers Duty to Supply Electric and Telephone Service-Customer agrees to furnish, at Customer's expense, all 110 Volt AC power, electrical outlet, ARC Type circuit breaker and dedicated receptacle, internet connection, high speed broadband cable or DSL and IP Address, telephone hookups, RJ31x Block or equivalent, as deemed necessary by TFP.
- 3. Customer Responsible for False Alarms/Permit Fees -Customer is responsible for all alarm permits and permit fees, agrees to file for and maintain any permits required by applicable law and indemnify or reimburse TFP for any fines relating to permits or false alarms. TFP shall have no liability for permit fees, false alarms, false alarm fines, fire response, any damage to personal or real property or personal injury caused by fire department response to alarm, whether false alarm or otherwise, or the refusal of the fire department to respond. In the event of termination of fire response by the fire department this contract shall nevertheless remain in full force and Customer shall remain liable for all payments provided for herein. Should TFP be required by existing or hereinafter enacted law to perform any service or furnish any material not specifically covered by the terms of this agreement Customer agrees to pay TFP for such service or material.
- 4. Warranty No warranty or guarantee is made as to the condition or operation of any existing apparatus or system. Customer further understands and agrees that failure to comply with all code requirements may result in a failure of your fire suppression equipment to properly function and perform in the event of a fire emergency. We strongly recommend you agree with the said services in this contract and if you decline any of the service items as detailed in this contract you waive all rights, actions, liabilities or claims against TFP1, Inc D/B/A Total Fire Protection. We do not guarantee the condition, performance, or operability of any portion of the before or after an inspection/test is performed by our organization.

TFP does not represent nor warrant that the fire detection equipment will prevent any loss, damage or injury to person or property, by reason of burglary, theft, hold-up, fire, smoke, equipment failure or otherwise, or that the fire detection equipment will in all cases provide the protection for which it is installed or intended. Customer acknowledges that TFP is not an insurer, and that Customer assumes all risk for loss or damage to Customer's premises or its contents. TFP has made no representations or warranties, and hereby disclaims any warranty of merchantability or fitness for any particular use. Customer's exclusive remedy for TFP default hereunder is to require TFP to repair or replace, at TFPS option, any equipment covered by this contract which is non-operational. Customer is responsible to obtain any software programs, passwords and printouts required to make program changes to the control panel and give EFS the authority to make such software changes as necessary. Customer acknowledges software changes are not included in this agreement and when performed will incur an addition charge. Customer authorizes Software programmed by TFP is the intellectual property of TFP and any unauthorized use of same, including derivative works, is strictly prohibited and may violate Federal Copyright laws, Title 17 of the United States Code, and may subject violator to civil and criminal penalties.

1. Payment terms Customer agrees to pay TFP for this service, the sum of the proposal amount, payable annually in advance for the term of this agreement,

commencing the first day of the month next succeeding the date hereof, all payments being due on the first of the month. Customer shall sign an Addendum changing the effective date of this agreement to the system completion date, if applicable. Any additional equipment: not listed in "Equipment covered by this inspection" or added to the system, will incur an additional charge based on our standard rates in effect at that time. Systems not provided by TFP, will incur an additional charge of N/A on the initial inspection when a more detailed Full System Inspection is required. Payment is due to Total Fire Protection, consistent with the following:

a. Due upon receipt, unless otherwise agreed upon in writing by both parties. If Customer disputes any part of an invoice, a written notification must be sent to TFP within 7-days of receipt of the invoice, specifying the dispute. Failure to send such written notification shall be deemed a waiver of any dispute of such invoice, and TFP shall be entitled to rely upon the fact that (Company) has accepted the obligation to pay the invoice in its entirety.

b. All prices are already discounted 4% for payment made by cash, check, or wire transfer. Please add 4% to the total for payment made via credit card.

c. If a credit term has been issued to your organization, then please make sure payments are received within your terms to avoid any late fees.

d. If payments are received late, then Customer will be subject to a late fee of 2% of the total invoice.

e. Total Fire Protection, at its sole discretion, may require cash-on-delivery (COD), prior to the above services be rendered.

f. Deposit 50% deposit will be required for all accounts that do not have a credit line established with Total Fire Protection.

1. Cancellation of Services TFP, at its discretion, reserves the right to assess a cancellation fee if the approved services in this proposal are cancelled less than 24hours from the scheduled service date.

Within 48 hours of any service performed by TFP, a written notification must be sent to TFP specifying any dispute or objection to such service. Failure to send such written notification shall be deemed a waiver of any dispute of such service, and TFP shall be entitled to rely upon the fact that Customer is satisfied with the service rendered.

- Sales Tax All applicable sales tax will apply to these services, unless a properly authorized Sales Tax-Exempt certification is provided to Total Fire Protection, prior to approval of above work.
- 2. Third Party Services Customer agrees that TFP is authorized and permitted to subcontract any services to be provided by TFP to third parties who may be independent of TFP, and that TFP shall not be liable for any loss or damage sustained by Customer by reason of fire, theft, burglary or any other cause whatsoever caused by the negligence of third parties. Customer acknowledges that this agreement, and particularly those paragraphs relating to TFP 's disclaimer of warranties, exemption from liability, even for its negligence, limitation of liability and third-party indemnification, inure to the benefit of and are applicable to any assignee, subcontractors and communication centers of TFP.
- 3. Insurance Customer agrees that TFP is not an insurer, and no insurance coverage is offered herein. The fire detection equipment is designed to reduce certain risks of loss, though TFP does not guarantee that no loss will occur. TFP is not assuming liability, and, therefore shall not be liable to Customer for any loss, personal injury or property damage sustained by Customer as a result of burglary, theft, hold-up, fire, equipment failure, smoke, or any other cause, whatsoever, regardless of whether or not such loss or damage was caused by or contributed to by TFP negligent performance, failure to perform any obligation or strict products liability. Customer releases TFP from any claims for contribution, indemnity or subrogation.

Customer shall maintain a policy of public liability, property damage, burglary and theft insurance under which Customer and TFP are named as insured and under which the insurer agrees to indemnify and hold TFP harmless from and against all costs, expenses including attorneys fees and liability arising out of or based upon any and all claims, injuries and damages arising under this agreement, including, but not limited to, those claims, injuries and damages contributed to by TFP 's negligent performance to any degree or its failure to perform any obligation. The minimum limits of liability of such insurance shall be one million dollars for any injury or death, and property damage, burglary and theft coverage in an amount necessary to indemnify Customer for property on its premises. TFP shall not be responsible for any portion of any loss or damage which is recovered or recoverable by the Customer from insurance covering such loss or damage or for such loss or damage against which the Customer is indemnified or insured.

Customer on its behalf and any insurance carrier waives any right of subrogation Customer's insurance carrier may otherwise have against TFP or its subcontractors arising out of this agreement or the relation of the parties hereto. Customer shall not be permitted to assign this contract without TFP's consent. TFP shall be permitted to assign this contract and upon such assignment shall be relieved of further obligation hereunder.

1. Indemnification Total Fire Protection will not be liable for any claims by Customer for lost profits and/or other consequential damages arising from and/or related to this proposal and/or any actions or inactions of Total Fire Protection. Customer further agrees to defend, indemnify, and hold harmless Total Fire Protection against all claims of injury or damage to person or property arising in whole or part from a failure of Customers fire protection system.

Customer agrees that should there arise any liability on the part of TFP as a result of TFP's negligent performance to any degree, failure to perform any of TFPS obligations, equipment failure or strict products liability, that TFP's liability shall be limited to the sum of six times the monthly payment at time liability is fixed or the sum of \$500.00, whichever is greater. If Customer wishes to increase TFP's maximum amount of TFP 's limitation of liability, Customer may, as a matter of right, at any time, by entering into a supplemental contract, obtain a higher limit by paying an annual payment consonant with TFP's increased liability. This shall not be construed as insurance coverage. Customer agrees to and shall indemnify and hold harmless TFP, its employees, agents and subcontractors, from and against all claims, lawsuits, including those brought by third parties or Customer, including reasonable attorney's fees, and losses asserted against and alleged to be caused by TFP's performance, negligent performance or failure to perform its obligations. Parties agree that there are no third-party beneficiaries of this contract.

TFP shall have no liability for false alarms, false alarm fines, police response, or the refusal of the police to respond. In the event of termination of police response by the municipal police this contract shall nevertheless remain in full force and Customer shall remain liable for all payments provided for herein. Customer shall indemnify and hold TFP harmless for all false alarm fines, alarm permit fees or other charges imposed by any municipality, including TFP's attorney's fees, arising out of the fire detection equipment or TFP's services related thereto, excluding sales or income tax, if any. Should TFP be required by existing or hereinafter enacted law to perform any service or furnish any material not specifically covered by the terms of this agreement Customer

agrees to pay TFP for such service or material.

TFP shall not be liable for any damage or loss sustained by Customer as a result of delay in installation of equipment, equipment failure, or for interruption of service due to electric failure, strikes, walk-outs, war, acts of God, or other causes, including TFP 's negligence or failure to perform any obligation. The estimated date work is to be substantially completed is not a definite completion date and time is not of the essence. The Customer shall allow TFP free access to all areas that require inspection and shall pay a re-inspection fee for return visits to inspect areas not previously accessible.

1. Legal Action - Upon commencement of legal proceedings by TFP for Customers failure to make payments as required hereunder, an additional 33% of the sum owed shall be due and payable as and for legal fees. The parties waive trial by jury in any action between them unless prohibited by law. In any action commenced by TFP against Customer, Customer shall not be permitted to interpose any counterclaim. Any action by Customer against TFP must be commenced within one year of the accrual of the cause of action or shall be barred. All actions or proceedings against TFP must be based on the provisions of this agreement. Any other action that Customer may have or bring against TFP in respect to services rendered in connection with this agreement shall be deemed to have merged in and be restricted to the terms and conditions of this agreement. Any litigation between the parties or arising out of this contract, shall be brought in the county where TFPs principal place of business is located. Service of process or papers in any legal proceeding between the parties may be made by Registered Mail, Return Receipt Requested, delivered by the U.S. Postal Service addressed to the party's address in this agreement or another address provided by the party in writing to the party making service. Customer submits to the jurisdiction and laws of New York. In addition to the balance due for the purchase and installation of the equipment and any extras, the parties agree that due to the nature of the services to be provided by TFP, the payments to be made by Customer for the term of this agreement are an integral part of TFPs anticipated profits and in the event of Customers breach of this agreement it would be difficult if not impossible to reasonably estimate TFPs actual damages.

If TFP commences legal proceedings against Customer for Customers failure to pay TFPs invoices, Customer waives its right to interpose any counterclaim, and waives its right to a jury trial.

If any provision or part of this agreement is determined by a court to be invalid, illegal, or unenforceable, the remaining provisions and terms shall not be affected and shall be binding and enforceable.

- 1. **TFPS Right to Subcontract Special Services -**Customer agrees that TFP is authorized and permitted to subcontract any services to be provided by TFP to third parties who may be independent of TFP, and that TFP shall not be liable for any loss or damage sustained by Customer by reason of fire, theft, burglary or any other cause whatsoever caused by the negligence of third parties and that Customer appoints TFP to act as Customers agent with respect to such third parties, except that TFP shall not obligate Customer to make any payments to such third parties. TFP shall be permitted to assign this contract and upon such assignment shall have no further obligation hereunder. Customer acknowledges that this agreement, and particularly those paragraphs relating to TFP's disclaimer of warranties, exemption from liability, even for its negligence, limitation of liability and indemnification, inure to the benefit of and are applicable to any assignee, subcontractors and communication centers of TFP.
- 2. Non-Solicitation Customer acknowledges that it has been advised that TFP has non-solicitation and non-compete contracts with its employees and, therefore, Customer agrees that it will not solicit for employment for itself, or any other entity, or employ, in any capacity, any employee of TFP assigned by TFP to perform any service for or on behalf of Customer for a period of 18 months after TFP has completed providing service to Customer. In the event of Customers violation of this provision, Customer shall be deemed to have tortuously interfered with TFPs contract with its employee and, in addition to injunctive relief, TFP shall recover from Customer an amount equal to an annualized loss of business from the Customer, based upon the last gross amount billed to such Customers.
- Security Interest / Collateral In order to secure all indebtedness or liability of Customer to TFP, Customer hereby grants and conveys to TFP a security interest in, and mortgages to TFP all of Customer's equipment, inventory and proceeds thereof, accounts receivables and cash on hand. Customer agrees to allow TFP to execute in Customer's name a UCC-1 statement.

Full Agreement/Severability/Conflicting Documents - This agreement along with the Schedule of Equipment constitutes the full understanding of the parties and may not be amended, modified or canceled, except in writing signed by both parties, except TFPs requirements regarding items of protection provided for in this agreement imposed by Authority Having Jurisdiction. Customer acknowledges and represents that Customer has not relied on any representation, assertion, guarantee, warranty, collateral contract or other assurance, except those set forth in this agreement and waives any claims in connection with same. Should any provision of this agreement be deemed void, all other provisions will remain in effect.

By my signature below, I authorize work to begin and agr conditions of this agreement.	ee to pay the Grand Total according to the terms and

School Leaders

Charter	Principal
Legacy	Jessica Eddy has served as the elementary school principal since 2021.

SCHOOL OVERVIEW

The mission of Achievement First schools is to deliver on the promise of equal educational opportunity for all of America's children. We know that every child—regardless of race, zip code or economic status—deserves access to great schools. We prepare our students to deepen their knowledge of self and community, to excel at college, career and life, and to lead lives of purpose and leadership.

AF Legacy Elementary opened in Fall 2021 and serves K-2 students.

Core elements of the Achievement First model that support our ambitious goal of closing the achievement gap by preparing our students for success include:

- Unwavering focus on breakthrough student achievement and student experience Great Teaching Fueling an Exceptional Student Experience
- Aggressive recruitment and retention of talent and diversity
- Consistent, proven, standards-based curriculum and strong intellectual preparation for lesson delivery
- Disciplined, high-expectations achievement-oriented school culture
- Interim assessments and strategic use of data to drive instruction
- Principals with the power to lead as well as high-quality, focused training for leaders
- Parents as partners

Historically, AF Brooklyn Charter Schools implemented a strong curriculum developed by AF's Teaching and Learning Team. The data you see in this report is still based on implementation of that internal curriculum.

Starting in 23-24, AF Brooklyn Charter Schools transitioned to implementing a mix of external and internal curriculum to ensure that we continued to provide our children with the best possible curriculum available. In 23-24, we are implementing Wit & Wisdom in K-4 ELA and Achievement First Math in K-4 Math, both of which have been greenlit by EdReports after a rigorous review.

ENROLLMENT SUMMARY

GOAL 1: ENGLISH LANGUAGE ARTS

Goal 1: English Language Arts

All students at Achievement First Charter Schools will be proficient readers and writers of the English language.

BACKGROUND

The K-4 literacy program at Achievement First must prepare students to be proficient and passionate life-long readers, writers, and thinkers who see themselves as powerful change makers. Reading and writing, unlike speech, are not natural processes. Our program must align with cognitive science (as represented by the Simple View of Reading and Scarborough's Reading Rope) and affirm our students' identities and brilliance in both what we teach and how we teach it.

Our program must support strong word recognition. We must:

- Include explicit and systematic phonics, phonemic awareness, and high frequency word instruction. Most people do not naturally crack the code of English without direct instruction.
- Provide extensive opportunities for students to practice both decoding and encoding using their word recognition knowledge and receive targeted feedback
- Include opportunities for teachers to gather and respond to data on students' word recognition knowledge

Our program must support strong oral language and reading comprehension. We must:

- Support students' development of strong language comprehension through read aloud of complex texts and sentence level syntax analysis in both reading and writing
- Support students' expressive language development and promote student voice through frequent opportunities to engage in meaningful discussion
- Support students' development of strong background knowledge by teaching content-driven units where students are learning about the world as they read and write. Research shows that background knowledge greatly improves a student's ability to read and understand complex texts.
- Support students knowledge of text structure by reading across a wide variety of genres and teaching what we expect to find in each genre and how authors organize different genres
- Support students knowledge of vocabulary through instruction in word structure, repeated exposure, discussion, and use of a set of content-aligned vocabulary words in each unit
- Put content and text understanding in the foreground, with skills and strategy instruction used as a means to build or access strong understanding. This means we do not teach reading skills in isolation. For example, we don't read a nonfiction passage about Reconstruction to practice identifying the main idea. Instead, we read a nonfiction passage about Reconstruction to learn more about the historical context that led to The Great

Migration. In order to learn that content, we will need to understand the main idea of the passage.

Our program must affirm our students' identities, brilliance, and power. We must:

- Include engaging texts that provide students opportunities to see mirrors of their own experiences, windows into different experiences, and learn more about themselves and their identities
- Teach history and world knowledge that is relevant and engaging to our students. Our program embeds social studies and history instruction into literacy instruction so that students are learning about social justice, activism, and the true history of our country during their literacy block. Learning science content is critical to students' having strong world knowledge, but given the focus of our humanities program on social justice, it remains a separate block in our program. You can learn more about the specific social studies content embedded in the humanities program and the pedagogy of strong social studies instruction <u>here</u>.
- Teach students about different ways to advocate and create change
- Provide opportunities to share their ideas through discussion, writing, and creative projects

Our program must help students powerfully and clearly share their ideas in writing. We must:

- See reading and writing as reciprocal and intertwined processes.
- Include instruction in sentence level syntax, grammar, and conventions to understand complex sentences in reading and share complex ideas through writing. This content increases in complexity as students progress from K-4.
- Include instruction in paragraph, essay, and story planning, writing, revision, and editing
- Provide students with ample opportunities to write about what they are learning, both during formal writing instruction and as a way to process and express ideas across blocks

Method

At Legacy Elementary School, STEP and F&P were used to evaluate progress in ELA and reading from the beginning of year to the end of the year. Most students in Kindergarten are assessed using STEP.

RESULTS AND EVALUATION

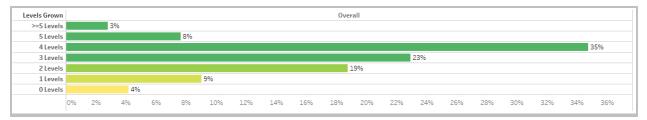

The chart below illustrates the average grade level reading growth and proficiency from BOY to EOY of scholars tested in Kindergarten and 1st Grade at Legacy Charter.

						Avg	Movement from Baseline to Current Period Reading Level												
Region	School Name	Grade	# Tested	Current Prof	Baseline Prof	Level Growth	-0.5	0.0	0.5	1.0	1.5	2.0	2.5	3.0	3.5	4.0	4.5	5.0	5.5
					AF	Network				1.2 🖷				_			04.3		
NY	LGES	К	46	72%	20%	3.7	-0.7							03	1				
		1st	62	45%	55%	2.6							2.6 🛑						€.2

Scholars grew 3.7 reading levels on average in Kindergarten and 2.6 reading levels on average in 1st grade. For all students at Legacy Elementary, reading proficiency increased from 38% baseline proficiency to 56% proficiency at the end of the 22-23 school year.

					On Track			M	ovement f	from Base	line to Currer	nt Period	Reading Lev	/el	
Region	School Name	Grade	Baseline Proficiency	# Tested	(Individual Growth)	-1.	0	0.0	1.0	2	2.0	3. <mark>0</mark>	4.0	5.0	6.0
NY	LGES	К	BELOW PROFICIENT	37	65%	-1.0					2.7	7			
			PROFICIENT	9	100%				0.8					4.8	
		1st	REMEDIAL	3	0%		-0.3 🖛					3.0			
			BELOW PROFICIENT	25	28%					1.9 •				4.5	
			PROFICIENT	34	50%							3.3 🛑			5.9
					AF Network				1.2					3	

Scholars who were proficient grew 2.9 reading levels on average while those scholars who began the year below proficient grew 3.1 average reading levels from BOY to EOY.

96% of scholars grew at least one level in reading, while 68% of the scholars tested for STEP/ F&P grew 3 or more reading levels from the beginning of the year to the end of the year.

Additional Context and Evidence

N/A

ACTION PLAN

While we are glad to see strong growth for students during the year, our ELA program is still not yet ensuring students get where they need to be from an absolute perspective. Reading is again a network focus area for the 23-24 school year and next several years. On TTL, managing directors, senior directors, and directors, as well as the Sr. Director of Reading, Leslie Michelle, and a host of other teammates across network teams (S&D, TSS, CAO, Chiefs of Schools, Regional Superintendents, etc.) continue to analyze our reading and ELA programs in partnership with our school teammates to determine where we need to make adjustments.

This year in Elementary we have made several changes in service of advancing scholars' literacy and ELA academic success:

- We have adopted the Wit & Wisdom program and curriculum across all of our schools, K-8.
- Along with Wit and Wisdom, we are teaching FUNdations (w/ Heggerty) across K-3 and Geodes (a decodable books reading program that aligns with Wit & Wisdom and FUNdations) in all K-2 classrooms.

- We have adopted mClass & DIBELS, along with the CUBED assessment as an external assessment, administered 3x a year (BOY, MOY, and EOY), to provide data on reading proficiency and oral language development
- We are supporting our schools through a strong, aligned summer professional development calendar, ongoing professional development throughout the year, and shared improvement cycles that include school visits, interim assessments, and other important data (e.g., culture data, scholar and family feedback, etc.)

GOAL 2: MATHEMATICS

Goal 2: Mathematics

Students will demonstrate competency in the understanding and application of mathematical computation and problem solving.

BACKGROUND

In the K-4 mathematics program at Achievement First, we believe that mathematics instruction not only involves developing and mastering the skills and conceptual understanding outlined by the Common Core but it does so in a way that fosters student's mathematical identities such that they see themselves as powerful mathematicians. We seek to prepare all of our students to engage in mathematics at a high level throughout their school experience and to disrupt the underrepresentation of BIPOC and women in the STEM workforce.

To do so, we must embrace the fact that learning mathematics requires more than memorizing facts and procedures for solving certain types of problems. We must actively work to implement research based equitable practices and work against white supremacy based practices that perpetuate educational harm on Black, Latinx, and multilingual students, denying them full access to the world of mathematics (Cintron et al, 2021). Therefore, we reject the I-We-You approach and instead are committed to a program that approaches teaching from an asset based perspective, understanding and acknowledging that all of our students bring knowledge and unique ways of thinking and problem solving to the classroom. Additionally, we are committed to a program that fosters authentic joy and curiosity about mathematical discovery and problem solving and, at the same time, proficiency in mathematical practices, all while keeping teaching for understanding as the centered norm.

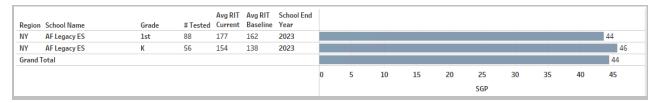

In the 22-23 school year we continued to invest in strengthening our Cognitively Guided Instruction (CGI), with monthly leader support, aligned to our vision. CGI is a framework that helps teachers to understand how children's mathematical ideas develop, and provides an opportunity to build on the child's own thinking and understanding. This past year, we continued Professional Development on CGI for our School Leaders to support teachers to make the sustained and generative changes in their practice that have been shown to have a positive effect on student outcomes. Achievement First Legacy Charter School 2022-23 Accountability Plan Progress Report Page 7 of 10

METHOD

The NWEA 2020 MAP Growth Norms Study provides achievement status and growth norms for individual students and grade levels within schools in each of the four subject areas: reading, language usage, mathematics, and general science.

The (first table with RIT) first table on student achievement scores for AF Legacy Charter shows that our 1st grade Average RIT of 177 at the EOY 2023 is above the NWEA norms for 1st grade at 176.40. And in K, our Average RIT of 154, is below the NWEA norm of 157.11.

RESULTS AND EVALUATION

The student growth percentile (SGP) describes a student's growth compared to other students with similar prior test scores (their academic peers). Our students averaged in the 44th percentile score, indicating growth in Math at Legacy was greater than 44 percent of similar students taking MAP Math on average.

Region	School Name	# Tested												
NY	AF Legacy ES	144				1396		196						+1296
Grand T	otal					13%		1%						+12%
			0%	596	10%		096		+2%	+4%	+6%	+8%	+10% +	12%
				% Prof Current		% Prof Baseline				% Prof	Growt	h		

Overall, at Legacy, performance on the MAP Math increased in students testing proficient from 1% in the fall to 13% in the spring. This shows an increase from fall-to-spring of 12% of students tested in the proficient range.

				Avg. RIT Score: IEP Enrolled / All Other Scholars											
Grade Level	Total # of Students	# in Group	% of Total Population	0.0	Group (Avg. RIT)				0.0	-1(0.0	Av -5.0	rg. RIT G 0.0	iap 5.0	10.0
К	57	7	12%	0.0	50.0	100.0	148		0.0		-6.8		0.0	5.0	10.0
1st	89	6	7 %					167		-10.1					
			AF Network				15	7		-12	2.0				

By the end of the year, students with disabilities at Legacy elementary had an average RIT score 12 points below their general education peers on average for MAP Math.

Achievement First Legacy Charter School 2022-23 Accountability Plan Progress Report Page 8 of 10

Additional Context and Evidence

As noted above, students saw an increase in 12% in proficiency from fall to spring. While the growth demonstrates an average range of growth when considering MAP normative data, the equity data reveals necessary attention needed for students within these subgroups. A continued investment in strengthening tier one instruction is needed, while increased focus on equity subgroups throughout the school year is necessary to eliminate these discrepancies.

ACTION PLAN

In Elementary Math we are focused on expanding our Cognitively Guided Instruction based on positive feedback and data from schools as well as our adding a Context for Learning Mathematics (CFLM) pilot in K-4 that is grounded in a constructivist approach to determine our long term plan for our math program. We have partnered with external experts to engage in collective site visits to continue to monitor the quality of our execution and to provide ongoing feedback to schools.

We also have improved our assessment strategy to better monitor student skill acquisition and growth throughout the year- we are most focused on our CGI test data and Counting Proficiency Assessment data. We have formalized windows, improved data entry systems and added completion monitoring for the Counting Proficiency Assessment which is one of the most important assessments for K-1 students in Math and should drive continued improved MAP Math scores.

GOAL 3: SCIENCE

Goal 3: Science Students will demonstrate proficiency in the understanding and application of scientific principles.

Results and evaluation N/A
Additional Context and Evidence N/A
Action Plan N/A

GOAL 4: ESSA

Goal 4: Absolute Measure

Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school's status under the state accountability system. More information on assigned accountability designations and context can be found <u>here</u>.

RESULTS AND EVALUATION

Achievement First Legacy Elementary school received a Comprehensive Support and Improvement Status for 22-23 based on results from 21-22. According to NYSED, Legacy made progress toward improvement based on self-assessment results.

Accountability Status by Year											
	Year	Status

Independent Auditor's Report

To the Board of Trustees Achievement First Brooklyn Charter Schools

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Achievement First Brooklyn Charter Schools as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Reported on Summarized Comparative Information

We have previously audited Achievement First Brooklyn Charter Schools' 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 31, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* and the combining schedule of activities by charter and schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, combining schedule of activities by charter and schedules of functional expenses are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2023, on our consideration of Achievement First Brooklyn Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Achievement First Brooklyn Charter Schools' internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2023

Note 1 - Nature of operations

Achievement First Brooklyn Charter Schools (the "School") focus on strengthening the academic and character skills needed for all students to excel in top-tier colleges, to achieve success in a competitive world, and to serve as the next generation of leaders in their communities. The Board of Regents of the State University of New York ("SUNY") originally granted individual charters to the schools (Achievement First Apollo Charter School, Achievement First Aspire Charter School, Achievement First Brownsville Charter School, Achievement First Bushwick Charter School, Achievement First Crown Heights Charter School, Achievement First East New York Charter School and Achievement First Endeavor Charter School). These charters were valid for a term of five years and renewable upon expiration. Additional charters were subsequently granted to Achievement First Linden Charter School, Achievement First Legacy Charter School, Achievement First Voyager Charter School and Achievement First School. The supplemental schedules to the financial statements provide additional operating activity by charter. The schools operate under one legal entity. The financial statements reflect the activities of the eleven charter schools for the fiscal year ended June 30, 2023.

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC") and under the corresponding provisions of the New York State tax laws. The School's primary source of income is government funding. The School has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the IRC and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(ii). Today, the School serves students primarily from low-income households in Brooklyn and Queens, New York.

During the year ended June 30, 2023, the School operated classes for students in K-12. Charters that share space with New York City Department of Education ("NYCDOE") schools are not responsible for rent, utilities, custodial services, or maintenance. Charters that share space with other charter schools or do not share space are responsible for operating occupancy costs.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the School and changes therein are classified and reported as follows:

Net assets without donor restrictions represent available resources other than donor-restricted contributions. Included in net assets without donor restrictions are funds that may be earmarked for specific purposes.

Board-designated net assets represent net assets established by the Board of Trustees, which represents funds without donor restrictions set aside for future needs of the School. Cash basis operating surpluses, if they exist at year-end, may be used to accumulate the board-designated reserve. Utilization of the reserve may be approved by the Board of Trustees and used for emergency funds in case of an unexpected financial crises, start-up costs for growth needs, facility capital requirements, principal-in-residence salaries and one-time projects which have significant future potential. The reserve balance will be generated from the schools' budgeted per-pupil operating revenue, excluding state and federal nonoperating grants.

Notes to Financial Statements June 30, 2023

Net assets with donor restrictions are subject to donor- (or certain grantor-) imposed restrictions which are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Statement of cash flows

For purposes of reporting cash flows, the School considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2023.

Cash and cash equivalents

The following table provides a reconciliation of cash and restricted cash reported within the statement of financial position that sum to the total of the same such amount shown in the statement of cash flows:

	 2023	 2022
Cash Restricted cash	\$ 46,790,717 350,000	\$ 38,856,358 350,000
Total	\$ 47,140,717	\$ 39,206,358

Restricted cash

The School has designated \$350,000 to be set aside for contingency purposes as required by the Board of Trustees of the State University of New York.

Grants and other receivables

Grants receivable represent amounts owed to the School for federal or state funding. Grants receivable that are expected to be collected within one year, and recorded at net realizable value, are \$10,443,859 at June 30, 2023. The School has determined that no allowance for uncollectible accounts for receivables is necessary as of June 30, 2023. Such estimate is based on management's assessments of the creditworthiness of its donors, the aging of its receivables as well as current economic conditions and historical information.

Revenue recognition

The School reports unconditional promises to give as revenue when the promise is received. Conditional promises to give are recognized as revenue when the condition is met. Grants and contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose conditions and restrictions are met in the same reporting period have been reported as support increasing net assets without donor restrictions in the statement of activities.

Revenue from state and local governments resulting from the School's charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement. The School receives a substantial portion of its support and revenue from the NYCDOE. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

Notes to Financial Statements June 30, 2023

Donated goods and services

The School occasionally receives contributed goods and services. Such goods and services are only recorded as in-kind contributions at their fair value, provided they meet the criteria for recognition. Such criteria includes contributions of services that (i) create or enhance nonfinancial assets or those that require specialized skills, (ii) are provided by individuals possessing those skills, and (iii) would typically need to be purchased, if not provided by donation, and are recorded at their fair value in the period received.

Contributed services received from Board Members and volunteers are not recorded in the financial statements since these services do not meet the criteria for recognition as contributed services.

The School does not record any in-kind contributions and related costs with respect to dedicated and shared space provided to it by the NYCDOE as the premises are temporary in nature, is excess shared space whereby a fair value cannot be determined and is industry practice.

Property and equipment

Property and equipment are stated at cost. The School has established a threshold for review of expenditures equal to or greater than \$3,000 for potential capitalization as a fixed asset. Property and equipment acquired with certain government contract funds is recorded as an expense pursuant to the terms of the contract in which the government funding source retains ownership of the property. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized.

Depreciation and amortization are provided on a straight-line basis over the estimated useful lives or lease terms as follows:

Asset	Estimated lives
Leasehold improvements Furniture and fixtures Computers and hardware	5 - 20 years 5 - 8 years 3 - 7 years
Equipment	3 - 7 years

Long-lived assets

The School recognizes an impairment loss when the carrying amount of a long-lived asset exceeds its fair value. In the event that facts and circumstance indicate that the carrying amounts of long-lived assets may be impaired, an evaluation of recoverability would be performed. The evaluation process consists of comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write down is required. If the review indicates that the asset will not be recoverable, the carrying value of the asset would be reduced to its estimated realizable value. There was no impairment loss recognized for the year ended June 30, 2023.

Functional allocation of expenses

The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's assessment. Health and retirement benefits and payroll taxes are allocated to programs and supporting services based on the percentage of salary expense of the program to total salary expense.

Notes to Financial Statements June 30, 2023

Tax-exempt status

The School is exempt under Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from private foundation status under IRC Section 509(a)(3) and as such is not subject to federal or state income taxes.

Management has analyzed the tax positions taken by the School and has concluded that, as of June 30, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School's federal information returns prior to fiscal year 2020 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If the School has unrelated business income taxes, it will recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statements of financial position.

Prior year summarized information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements of Achievement First Brooklyn Charter Schools for the year ended June 30, 2022, from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of credit risk

The School maintains cash and cash equivalent balances in various financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation. From time to time, the School's balances may exceed these limits. As of June 30, 2023, the School had uninsured bank balances of \$45,359,125. The School limits its credit risk by selecting financial institutions considered to be highly creditworthy.

Subsequent events

Management has reviewed subsequent events through October 31, 2023, which is the date the financial statements were approved and available for issuance.

Note 3 - New accounting pronouncement

The School adopted Accounting Standards Update 2016-02 (as amended), *Leases* ("Topic 842") on July 1, 2022 ("Adoption Date"). Topic 842 requires lessees to recognize a right-of-use asset and a corresponding lease liability for most leases. The School elected and applied the following practical expedients on the Adoption Date:

• The package of practical expedients permitting the School to not reassess (i) the lease classification of existing leases; (ii) whether existing and expired contracts are or contain leases; and (iii) initial direct costs for existing leases.

Notes to Financial Statements June 30, 2023

The School recognized the following as of the Adoption Date in connection with transitioning to Topic 842:

	As o	As of July 1, 2022		
Operating lease right-of-use assets	\$	8,001,712		
Operating lease liabilities		8,725,746		

The adoption of Topic 842 did not have a material impact on the School's change in net assets for the year ended June 30, 2023.

The School presents its right-of-use assets and lease liabilities for operating leases separately on its statement of financial position. See Note 14 regarding the School's right-of-use assets for operating leases and lease liabilities.

Note 4 - Liquidity

The School regularly monitors liquidity required to meet its annual operating needs and other contractual commitments. As of June 30, 2023, the School has financial assets available to meet annual operating needs for the 2024 fiscal year as follows:

Cash Grants and other receivables	\$ 46,790,717 10,443,859
Receivable from related party - revolving lines of credit Due from other school	 7,142,270 6,039
Total financial assets	64,382,885
Less Receivable from related party - revolving lines of credit Board-designated reserve	(7,142,270) (7,000,000)
Financial assets available to meet cash needs for general expenditures within one year	\$ 50,240,615

These financial assets are not subject to any grantor or contractual restrictions. The School supports its general operations primarily with Federal and State grants, which are recognized as purpose restrictions are met. The balances due to the NYC Department of Education and NYS Education Department represent advances received that are due back to the State based on the fiscal year reconciliation and do not represent operating expenses.

Note 5 - Receivable from related party - unsecured revolving line of credit

The School has entered into unsecured revolving lines of credit established with entities that are wholly owned by Achievement First, Inc. ("AF"). See Note 9 for the relationship between the School and AF. AF lines bear interest at a fixed rate of 2.6%. Funds are available upon written request. The School may demand repayment of principal and/or accrued interest in part or in full at any time and

Notes to Financial Statements June 30, 2023

such repayments shall be due 45 business days thereafter. Balances on the lines are as follows as of June 30, 2023:

	Credit limit		An	nount drawn
AF Brooklyn HS4, LLC AF Queens ES1, LLC AF Glenmore Avenue, LLC		5,000,000 4,000,000 4,000,000	\$	3,549,327 1,605,693 1,987,250
	\$	13,000,000	\$	7,142,270

Note 6 - Concentrations

The School received approximately 83% of its operating revenue, which is subject to specific requirements, from per pupil funding from the NYCDOE during the year ended June 30, 2023.

The School's grants and other receivables consist of 97% from the State of New York as of June 30, 2023.

Note 7 - Property and equipment

The following is a summary of property and equipment at June 30, 2023:

Leasehold improvements Furniture and fixtures Computers and other hardware	\$ 16,195,658 313,475 48,554
Equipment	1,556,755
Less accumulated depreciation	18,114,442 (11,977,565)
	\$ 6,136,877

Depreciation expense was \$1,885,485 for the year ended June 30, 2023.

Note 8 - Lease acquisition costs

The NYCDOE, through the New York State Construction Authority ("NYSCA"), agreed to help finance the development and construction of 510 Waverly Avenue, Brooklyn, New York provided that Civic Builders (the "construction manager") and Achievement First Endeavor Charter School collectively contributed 20% of the costs of the construction.

In December 2012, NYSCA, the landlord, entered into an agreement to lease the building to Civic Builders for a 30-year term. Civic Builders entered into an agreement to sublease the building to AF Waverly LLC. AF is the sole member, which in turn leases the building to the School under the same terms at an annual lease of \$1 plus operating costs. The lease acquisition costs of \$6,792,379 include the costs incurred by Achievement First Endeavor Charter School in meeting their obligation to NYCDOE to fund 20% of the costs of construction; these costs are amortized over the 30-year lease term. Amortization expense for the year ended June 30, 2023 was \$226,412 and accumulated amortization at June 30, 2023 was \$2,926,692. Amortization expense for each of the next five years is \$226,412.

Notes to Financial Statements June 30, 2023

Note 9 - Related party transactions

The School entered into an Academic and Business Services Agreement (the "Agreement") with AF, a not-for-profit organization dedicated to helping start and run charter schools. This Agreement provides management and other administrative support services to the School.

Pursuant to the terms of the Agreement, the School pays a service fee equivalent to 10% of public revenues received by the School during or for that school year. Public revenues include all sources of revenue from a public source, but specifically exclude in-kind contributions such as student transportation, start-up funding, funding for student meals, and funding from competitive public grants. The Agreement automatically renews to coincide with the charter renewals for each school. The Agreement covers services including bookkeeping, facilities acquisition and management, special education delivery support, data analysis management support, and tutoring program support. The School is to pay AF an ancillary services fee that is mutually negotiated by the School and AF. For the year ended June 30, 2023, the School incurred management and ancillary services fees of \$19,289,138, which are included in the accompanying statement of functional expenses. AF is also the recipient of grant funds that are passed through AF to the School. The amount due to AF at June 30, 2023 was \$931,604.

The School received \$348,221 of contributions from AF for the year ended June 30, 2023. See Note 14 for related party leases.

Note 10 - Due from/to other schools

The following amounts were due from/to related schools and consist of the following at June 30, 2023:

Achievement First Providence Charter School		5,159
Achievement First Bridgeport Academy		(560)
Achievement First Elm City Charter School		880
	\$	5.479

Note 11 - Loans payable

Loans payable to Charter School Growth Fund bear interest at 1% and 3%. The 1% loans are startup loans and no payments of principal or interest are required until maturity. The 3% loans are improvement loans and require annual payments of principal and interest. Loans mature through June 30, 2023. This loan balance was repaid in full as of June 30, 2023. Interest expense of \$4,672 is included in interest expense on the statement of functional expenses.

The loan payable to Peak Demand Energy is a noninterest-bearing loan. The loan was established to pay for lighting costs related to school renovations. The loan is paid through monthly payments equal to the cost savings, quantified by the reduction in energy usage each month, which is approximately \$2,000 per month. The loan was paid off during fiscal year 2023.

Note 12 - Due to NYC Department of Education and the New York State Education Department

The NYCDOE paid the School per pupil grant funds in six installments, based on estimates from the School. At the end of each year, the NYCDOE reconciles the total amount paid against the full-time-equivalent enrollment for the year and determines if an overpayment or underpayment has been made. As of June 30, 2023, an overpayment totaling \$83,561 had been made; an adjustment for

Notes to Financial Statements June 30, 2023

this amount will be reflected in the third payment from NYCDOE in FY 2024. Additionally, the New York State Education Department informed the School during the year ended June 30, 2018, that an error had been made in the allocation of Title II funds available to districts throughout the State. As a result, \$788,840 was received by the School in excess of the State's recalculated grant allocation. During the year ended June 30, 2023, the final installment of \$157,768 was repaid.

The School discontinued their involvement in the National School Lunch Program as of June 30, 2023. As a result, the School owes the New York State Education Department \$457,456 for unexpended funds. As of June 30, 2023, the School also owes the New York State Education Department \$6,577 for an overpayment of Title I funding.

Note 13 - Contributed nonfinancial assets

For the year ended June 30, 2023, contributed nonfinancial assets recognized within the statement of activities included:

				2023	
	-	Revenue ecognized	Utilization in programs/activities	Donor restrictions	Valuation techniques and inputs
Digital learning	\$	268,144	Regular education	None	Donor's purchase cost
Textbooks		173,894	Regular education	None	Donor's purchase cost
Library books		55,592	Regular education	None	Donor's purchase cost

Note 14 - Leases

The School leases buildings and office equipment. All contracts that implicitly or explicitly involve property, plant and equipment are evaluated to determine whether they are or contain a lease.

At lease commencement, the School recognizes a lease liability, which is measured at the present value of future lease payments, and a corresponding right-of-use asset equal to the lease liability, adjusted for prepaid lease costs, initial direct costs and lease incentives. The School has elected and applies the practical expedient available to lessees to combine non-lease components with their related lease components and account for them as a single combined lease component for all its leases. The School remeasures lease liabilities and related right-of-use assets whenever there is a change to the lease term and/or there is a change in the amount of future lease payments, but only when such modification does not qualify to be accounted for as a separate contract.

The School determines an appropriate discount rate to apply when determining the present value of the remaining lease payments for purposes of measuring or remeasuring lease liabilities. As the rate implicit in the lease is generally not readily determinable, the School estimates the risk-free rate as the discount rate. The School's risk-free rate, which is determined at either lease commencement or when a lease liability is remeasured, is the rate on the U.S. government securities over a period commensurate with the lease term.

For accounting purposes, the School's leases commence on the earlier of (i) the date upon which the School obtains control of the underlying asset and (ii) the contractual effective date of a lease. Lease commencement for most of the School's building leases coincides with the contractual effective date. The commencement date for most of the school's office equipment leases coincides with when the School obtains control of the underlying assets. The School's leases generally have minimum base terms with renewal options or fixed terms with early termination options. Such

Notes to Financial Statements June 30, 2023

renewal and early termination options are exercisable at the option of the School and, when exercised, usually provide for rental payments during the extension period at then current market rates or at pre-determined rental amounts. Unless the School determines that it is reasonably certain that the term of a lease will be extended, such as through the exercise of a renewal option or non-exercise of an early termination option, the term of a lease begins at lease commencement and spans for the duration of the minimum non-cancellable contractual term. When the exercise of a renewal option or non-exercise of an early termination option is reasonably certain, the lease term is measured as ending at the end of the renewal period or on the date an early termination may be exercised.

The School includes variable rental payments based on a rate or an index such as the Consumer Price index (CPI) in its measurement of lease payments based on the rate or index in effect at lease commencement. Other types of variable lease payments are expensed as incurred.

Leases involving real estate

Leases of facilities have three-year terms, which terms have been incorporated into our measurement of the related right-of-use assets and lease liabilities. Although most of the real estate leases include one or more options to renew that can extend the contractual terms from one to three years, those renewal options are exercisable solely at the School's discretion and have been excluded from lease term measurements. The real estate leases generally require reimbursement of real estate taxes, common area maintenance, and insurance. The School leases these facilities from two limited liability companies wholly owned by AF. Such leases provide for below market rentals, are cancellable at any time, and do not provide purchase options.

Rental payments on these leases typically provide for fixed minimum payments that increase over the lease term at predetermined amounts.

The School entered into a facility lease with Glenmore Avenue, LLC, a limited liability company wholly owned by AF, which will commence upon substantial completion of the school. Upon commencement, monthly rent payments are \$214,208 and are subject to a 2.6% increase each year. The agreement with Glenmore Avenue, LLC has a term of 30 years and allows the lease to be extended for an additional 19 years if the overlease is extended and requires the School to achieve certain financial covenants upon occupancy of the premises.

Leases involving equipment

Office equipment leases have lease terms that generally range from less than one year to five years and generally do not have renewal options. Rental payments on these leases have fixed payments.

Notes to Financial Statements June 30, 2023

Financial information

The following contains information about the School's right-of-use assets and lease liabilities for its operating leases as of June 30, 2023:

	Statement of Financial Position Classification	Jur	ne 30, 2023
Right-of-use assets Operating leases	Noncurrent assets	\$	5,955,315
Lease liabilities Current			
Operating leases Noncurrent	Current liabilities	\$	4,466,041
Operating leases	Noncurrent liabilities		2,304,911
Total lease liabilities		\$	6,770,952

The components of the School's lease cost for the year ended June 30, 2023 are as follows:

	Statement of Functional Expense Classification	Ju	ne 30, 2023
Operating lease cost, net			
Rent expense	Repairs and maintenance, Office expense	\$	3,803,525
Short-term lease expense	Office expense	\$	141,822

The School had elected to apply the short-term practical expedient to its leases. The rental costs of short-term leases are included in office expenses in the statement of activities.

Supplemental cash flow information related to the School's leases for the year ended June 30, 2023 is as follows:

Year ended June 30, 2023	ne 30, 2023 Operating leases	
Cash paid for amounts included in the measurement of lease liabilities Operating	\$	3,711,926
Right-of-use assets obtained in exchange for lease liabilities		
Operating	\$	9,527,943

Notes to Financial Statements June 30, 2023

The weighted average remaining term and weighted average discount rate for the School's leases are as follows as of June 30, 2023:

Weighted average remaining term (in years)	2.21
Weighted average discount rate	3.01%

(1) The Organization has elected to use a risk-free rate as the discount rate for its leases. The Organization uses rates on U.S. government securities for periods comparable with lease terms as risk-free rates.

The annual maturity analysis of the School's lease liabilities as of June 30, 2023 is as follows:

Calendar year	Ope	erating leases
2024 2025 2026 2027 2028	\$	4,599,601 1,032,315 718,093 544,270 110,026
Total lease payments Less: Interest		7,004,305 233,353
Present value of lease liability Less: current portion of lease liabilities		6,770,952 4,466,041
Noncurrent portion of lease liabilities	\$	2,304,911

Note 15 - Agreement for School facilities

The School has entered into verbal agreements with the NYCDOE for dedicated and shared space at a cost of \$1 per year or less. In accordance with industry standards, the fair value of the rent has not been recorded. The School will be responsible for any overtime-related cost for services provided beyond the regular opening hours. For the year ended June 30, 2023, the School incurred no overtime and incurred no permit fees. The School also entered into an Administrative Cost Management Agreement that requires the School to pay Uncommon Crown Heights, LLC for its share of the building costs for the facilities located at 1485 Pacific Street, Brooklyn, New York. The fair value of the rent has not been included in the accompanying financial statements as the agreement is nonbinding, the premises are temporary in nature, is excess shared space whereby a fair value cannot be determined and is industry practice.

Note 16 - Pension plan

Effective September 1, 2006, the School adopted a 403(b) profit sharing plan (the "Plan") which covers most of the employees. The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan upon employment. Those employees who have completed at least one full year of service are also eligible for employer contributions. The Plan provides for the School to contribute up to 4% of an employee's salary, up to a maximum match of \$2,500 per year, per employee. The School contribution is not vested until the employee's third year, when he or she becomes fully

Notes to Financial Statements June 30, 2023

vested. For the year ended June 30, 2023, pension expense for the School was approximately \$1,200,000, which is included in retirement in the accompanying statement of functional expenses.

Note 17 - Risk management

The School is exposed to various risks of loss related to torts; thefts of, damage to and destruction of assets; actions by employees and parents; and natural disasters. The School maintains commercial insurance to protect itself from these risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School, as well as additional funds for the use of facilities. The accompanying financial statements make no provision for the possible disallowance or refund because management does not believe that there are any liabilities to be recorded.

Note 18 - Conditional contribution

AF received a conditional grant commencing April 2020 for expansion and minor repairs, of which they have allocated \$4,629,142 to the School. This grant is expected to cover periods through March 2025. Donor conditions specify that amounts must be spent on expenditures relevant to approved grant purpose. Since this grant represents a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. For the year ended June 30, 2023, \$109,826 was recorded as revenue related to this grant. The remaining conditional promise to give at June 30, 2023 was \$3,500,607.

During the year ended June 30, 2021, the School received conditional ESSER grants of \$46,311,444. These grants are expected to cover periods through September 2023. Donor conditions specify that amounts must be spent on expenditures relevant to the approved grant purpose. Since these grants represent a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. Prior to 2023, \$10,093,571 of the conditions were met. During 2023, contribution revenue of \$8,702,195 and \$43 of contributions expired were recorded related to this grant. The remaining conditional promise to give at June 30, 2023 was approximately \$27,500,000.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees Achievement First Brooklyn Charter Schools

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated October 31, 2023.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Achievement First Brooklyn Charter Schools' internal control over financial reporting ("internal control") as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Achievement First Brooklyn Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2023-001.

Achievement First Brooklyn Charter Schools' Response to Findings

Achievement First Brooklyn Charter Schools' response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Trustees Achievement First Brooklyn Charter Schools

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Achievement First Brooklyn Charter Schools' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Achievement First Brooklyn Charter Schools' major federal programs for the year ended June 30, 2023. Achievement First Brooklyn Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Achievement First Brooklyn Charter Schools complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Achievement First Brooklyn Charter Schools' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Achievement First Brooklyn Charter Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Achievement First Brooklyn Charter Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with *GAAS, Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Achievement First Brooklyn Charter Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2023-002. Our opinion on each major federal program is not modified with respect to this matter. *Government Auditing Standards* requires the auditor to perform limited procedures on Achievement First Brooklyn Charter Schools' response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant

deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance with a type of compliance with a type of deficiencies, in internal control over compliance with a type of compliance is a deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance with a scompanying schedule of findings and questioned costs as item 2023-002, to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. *Government Auditing Standards* requires the auditor to perform limited procedures on Achievement First Brooklyn Charter Schools' response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. Achievement First Brooklyn Charter Schools' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards June 30, 2023

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Achievement First Brooklyn Charter Schools (the "School") under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass through identifying numbers are provided when available.

Note 3 - Indirect cost rate

The School has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

II. Findings - Financial Statement Audit

Finding No. 2023-001

Criteria

According to the Audit Guide for State University of New York ("SUNY") Authorized Charter Schools, the School is required to perform a criminal history records search which includes the fingerprinting and background checking of all prospective employees. Test results must be obtained to ensure clearance for employment.

Condition

The School did not have records of performing fingerprint and criminal history record checks for all employees hired during the year ended June 30, 2023.

Context

A sample of 40 new hires was selected from a population of 304. We identified exceptions in 5 out of the 40 new hires tested. The sample was not statistically valid.

Cause

The School did not have a clear process for following up on new hire background check clearances.

Effect

The School is not in compliance with the hiring procedures required under the laws, regulations, contracts and grant agreements requirements of the Audit Guide for SUNY Authorized Charter Schools.

Identification as a Repeat Finding

This is not a repeat finding.

Recommendation

The School should review its procedures and internal controls over its performance of fingerprint and criminal history record checks for new hires to ensure compliance with SUNY Charter School requirements. The internal controls should include assuring 100% testing and retaining documentation to support the performance of these checks.

Reporting Views of Responsible Officials

The School will review the procedures and internal controls to SUNY Charter School Requirements to ensure 100% compliance.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

III. Findings and Questioned Costs - Major Federal Award Programs Audit

Finding No. 2023-002 - COVID-19 Education Stabilization Fund - Elementary and Secondary School Emergency Relief Fund - Assistance Listing Number #84.425D

Criteria

According to 2CFR Part 200.405 of the Office of Management and Budget's Uniform Guidance, a cost is allowable to a particular Federal award or to the cost objective if the goods or services involved are chargeable or assignable to that Federal award or cost objective in accordance with the relative benefits received.

Condition

The School provided a completed claim report for reimbursement of expenses that was finalized internally but not yet submitted to the grantor. The report was not properly reviewed resulting in an overstatement of expenses incurred in the report.

Questioned Costs

The claim report was modified prior to submission to the grantor, therefore there were no questioned costs.

Context

The School submits quarterly claim reports. The final report was not properly reviewed nor prepared.

Cause

Certain costs were double counted within the claims report due to the report not being properly reviewed.

Effect

Lack of a proper review may result in an incorrect claim filing and receipt of funds in excess of allowable costs incurred.

Identification as a Repeat Finding

This is not a repeat finding.

Schedule of Findings and Questioned Costs Year Ended June 30, 2023

Recommendation

Claim reports and supporting schedules should be reviewed prior to finalization by the supervisor of the preparer of the report.

Reporting Views of Responsible Officials

We agree with the finding and will develop procedures to address the finding.
