

Organization 1 (Set 1)

Analysis: Lit - Paired Passage

Organization: Flow

This paper scores a 1 for flow because there are a few one word transitions (“Also” and “and”). This paper does not link enough ideas to meet the “generally” threshold (45%-65%).

Essay: Lit - Paired Passage

Lukes perspective at the beggining was scared and upset. Luke’s scared and he’s under-age for war, but still going. Luke was stern and he knew he could’ve prevented this from happening. In the beggining, luke was worried and regretful.

Lukes perspective at the end was happy and relieved. Luke’s happy and he got to go home. Lukes relieved. The war was finally over. Also, the story said that the bird saved many of people. Lukes perspective at the end was joyful and excited.

The birds made him feel better. The bird made Luke feel better when he/she brought the letter saying that the war was over early. The birds impact on Luke was that the was the cause of making Luke feel relived.
