

Sentence Fluency 2

Analysis: History - Sumerian Civilization

Sentence Fluency: Fluency

This scholar scores a 2 for sentence fluency because while most of the sentences are complete, only simple and compound sentences are used. The compound sentences are not punctuated correctly. There is very little, if any, variety in the sentence beginnings.

Essay: History - Sumerian Civilization

Lukes perspective at the beggining was scared and upset. Luke's scared and he's under-age for war, but still going. Luke was stern and he knew he could've prevented this from happening. In the beggining, luke was worried and regretful.
