

Director of 9-12 History

Start Date: July 2021
Team: High School Teaching and Learning
Location: Brooklyn, NY, New Haven, CT, or Providence, RI

Who are we? Achievement First (AF) exists to address the legacy of racism in education in America. Our mission is to deliver on the promise of equal educational opportunity for all of America's children. That is what we work for every day. We know that all children—regardless of race, zip code, or economic status—deserve access to great schools. At the core of our approach is our shared journey by our students and staff to fulfill our incredible potential.

Just the facts. Achievement First has consistently been rated one of the top charter school networks in the country, AND we are still learning and growing. AF is a non-profit 501(c)3 organization that currently supports 37 public charter schools in New York, Connecticut, and Rhode Island. The mission of AF is to deliver on the promise of equal educational opportunity for all children. We currently employ more than 2,000 staff -- 47% of whom identify as Black, Latinx, or Multi-racial -- who collectively educate more than 14,300 students in Brooklyn, NY; Providence, RI; and New Haven, Bridgeport, and Hartford CT. More than 85% of our students qualify for free or reduced-price lunch. Our students are proving what's possible by achieving breakthrough results in terms of academic achievement and long-term college persistence.

Our focus and reach extend beyond the students and communities that we serve directly. Achievement First is an engaged and prominent partner in the broader education-reform movement, partnering with schools and networks from across the country and openly sharing all our resources with educators free of charge. We currently serve more than 100,000 additional students through two key partnership initiatives. Our Charter Network Accelerator is an intensive cohort-based training program for CMO leaders (with a focus on leaders of color) who are looking to increase the number of top-quality options available to parents across the country; and through our Navigator Program, we provide coaching and support for district and charter schools who want to adopt and adapt our curriculum and instructional practices to help students achieve breakthrough results.

Why work at Achievement First? First and foremost: you should work at AF if you believe in our [values](#) and want to surround yourself with people who share them. We are committed to *leading for racial equity*. We approach our work with humility, humanity, and the recognition that both what we do and how we do it must model the equity we seek. *We strive for excellence* by setting a high bar in all areas and pursuing it relentlessly. *We care about the whole person* and are known to be as warm as we are demanding. *We choose joy* and actively seek out moments of humor, gratitude, and deeper purpose for ourselves and with each other. We know that we will *go further together* and intentionally choose to join forces on both big and small things. We name brutal facts, *embrace challenges*, and see our mistakes as opportunities to get better.

Finally, come to Achievement First if you want to help support schools that are striving to redefine what's possible in education. We are obsessed with getting better and are working to create some of the best schools in the country - schools that support not just students' academic success but also their social-emotional learning, identity development, independence as learners, passion/enrichment/extracurriculars, and life-long fulfillment. AND, at AF, we believe getting better starts with looking in the mirror. We have done a lot of that lately, as we have more aggressively confronted our own biases and unacceptable gaps in our student experience. We are committed to addressing inequity within our systems, culture, and practices and resolve to do the critical work needed to ensure equity for our scholars and staff. *So, come to Achievement First if reflection, challenge, and growth feed your soul.*
